## Yaheetech YT-671GR

# Yaheetech Double Rod Clothing Garment Rack User Manual

Brand: Yaheetech | Model: YT-671GR

## 1. PRODUCT OVERVIEW

---

The Yaheetech Double Rod Clothing Garment Rack is a versatile and robust solution for organizing your clothes. Designed for both indoor and outdoor use, it offers ample hanging space and convenient mobility.

- **Durable and Sturdy:** Constructed from high-quality metal with PP casters, this heavy-duty garment rack boasts a maximum load capacity of 200 lb (90.7 kg).
- **Rolling Adjustable & Telescopic:** Features extensible horizontal and vertical rods to fully meet your storage needs.
- **Convenient to Store and Move:** The bottom rails are specially designed for holding the rail, and four plastic caps prevent damage to surfaces during movement.
- **Multiple Use:** Suitable for various settings including bedrooms, balconies, yards, shopping malls, and showrooms.
- **Foldable Design, Convenient Storage:** Its foldable structure allows for collapse into a flat, compact size for easy transport or storage. Clamps on the base secure and organize the rods when folded.

## 2. SETUP AND ASSEMBLY

---

Assembly of your Yaheetech Garment Rack is straightforward. For detailed step-by-step instructions, please refer to the official [Installation Manual \(PDF\)](#).

### Visual Assembly Guide

## 3. OPERATING INSTRUCTIONS

The Yaheetech Garment Rack is designed for ease of use and adaptability.

### Adjusting Height and Length

The rack features telescopic rods that allow for flexible height and length adjustments to accommodate various clothing lengths and quantities. Simply loosen the locking mechanisms on the vertical and horizontal bars, extend or retract to your desired position, and then secure the locks firmly.

# Extendable Hanging Rod

Adjustable rods for customizable hanging space.

Visual guide for adjusting the height and length of the hanging rods.

## Using the Wheels

The garment rack is equipped with smooth-rolling casters for easy movement. Two of the wheels are lockable, allowing you to secure the rack in place when needed. To lock, press down on the lever on the wheel; to unlock, lift the lever.

## Utilizing Side Racks and Bottom Bar

The integrated side racks provide additional hanging space for accessories like scarves, hats, or bags. The sturdy bottom double-bar design offers versatile storage for laundry baskets, clothing boxes, or shoe storage.

## Side Racks for Extra Storage

Perfect for accessories, hats, or scarves, keeping items organized

Side racks offer convenient storage for accessories.

## Bottom Double-bar Design

Offer versatile storage for laundry baskets, clothing/shoe storage boxes

The bottom double-bar provides space for baskets or boxes.

### 4. MAINTENANCE

To ensure the longevity and optimal performance of your Yaheetech Garment Rack, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the chrome finish.
- **Inspection:** Periodically check all connections and locking mechanisms to ensure they are secure. Tighten any loose screws or fittings as necessary.
- **Caster Care:** Keep the wheels free of debris (hair, lint, etc.) to ensure smooth rolling. If wheels become stiff, a small amount of silicone spray can be applied to the axle.
- **Storage:** When not in use for extended periods, or for transport, utilize the foldable design and secure the rods with the integrated clamps. Store in a dry place to prevent rust.

# Strong Chromed Metal Rack

Crafted from durable chromed metal for enhanced strength and long-lasting use

The rack is crafted from strong chromed metal for durability.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your garment rack, consider the following common solutions:

- **Rack is Unstable/Wobbly:** Ensure all connections are fully tightened. Verify that the vertical and horizontal extension rods are securely locked in place. Distribute weight evenly across the hanging bars.
- **Wheels Not Rolling Smoothly:** Check for any debris (hair, lint) caught in the casters and remove them. Ensure the locking mechanisms on the wheels are disengaged.
- **Rods Not Extending/Retracting:** Check if the locking mechanisms are fully disengaged. Ensure no foreign objects are obstructing the telescopic movement.
- **Difficulty Folding:** Ensure all extension rods are fully retracted and the clamps are properly aligned to secure the frame.

If problems persist, please contact Yaheetech customer support for further assistance.

## 6. SPECIFICATIONS

---

Feature	Detail
Brand	Yaheetech
Color	Silver
Material	Iron, Zinc (Metal)
Product Dimensions	21.9"D x 74.4"W x 64.6"H
Installation Type	Free Standing
Special Feature	Adjustable, Durable, Portable
Load Capacity	200 Pounds (Dynamic), 330 Pounds (Static)
Item Weight	18.92 Pounds
Assembly Required	Yes
Included Components	1 x Clothing Rack, 1 x Instruction
