2. PREPARATION AND SERVING

Monster Khaos Energy Drink + Juice is ready to consume directly from the can. For optimal enjoyment and refreshment, it is recommended to serve the beverage chilled.

3. CONSUMPTION GUIDELINES

Each 16 fl oz can contains 156mg of caffeine. Consume responsibly. Do not exceed recommended serving size. Daily caffeine consumption from all sources should be limited to approximately 400mg per day. This product is **not recommended** for children, individuals sensitive to caffeine, pregnant women, or women who are nursing.

4. STORAGE

Store unopened cans in a cool, dry place, away from direct sunlight and extreme temperatures. Refer to the can for the specific expiration date. This product has a long shelf life, with an expiration date of September 2026.

Once opened, consume promptly for best quality.

5. TROUBLESHOOTING AND SAFETY

If you experience any adverse effects after consuming this product, discontinue use immediately and consult a healthcare professional. If the product appears damaged, compromised, or has an unusual odor or appearance, do not consume it.

Keep out of reach of children.
