Libratone ZIPP MINI

Libratone ZIPP MINI Copenhagen Edition Wireless Speaker User Manual

Model: ZIPP MINI Copenhagen Edition (LH0020020EU1003)

INTRODUCTION

Welcome to the user manual for your Libratone ZIPP MINI Copenhagen Edition wireless speaker. This guide provides essential information for setting up, operating, and maintaining your speaker to ensure optimal performance. The ZIPP MINI Copenhagen Edition delivers rich, 360-degree sound, offering versatile connectivity options including Wi-Fi, Bluetooth, and AirPlay 2, along with multi-room audio capabilities.

WHAT'S IN THE BOX

Please check the contents of your package. It should include:

- Libratone ZIPP MINI Copenhagen Edition Speaker
- Power Adapter with Charging Cable
- User Manual (this document)

PRODUCT OVERVIEW

The Libratone ZIPP MINI Copenhagen Edition is designed for portability and high-quality audio. Its unique design features a fabric cover and a convenient carrying strap.

Key features include:

- **FullRoom 360-degree Sound:** Acoustic technology that disperses sound waves in all directions, filling your space with rich audio.
- **Intuitive Touch Interface:** Control your music directly from the speaker's elegant touch-sensitive top panel.

- **Multi-Room Music:** Pair with other ZIPP or ZIPP MINI speakers using SoundSpace Link for a flexible multi-room listening experience.
- **Versatile Connectivity:** Stream audio via Wi-Fi, Bluetooth, AirPlay 2, and Spotify Connect.
- **Portable Design:** Enjoy up to 10 hours of battery life, allowing you to move the speaker freely around your home.
- **Customizable Covers:** Change the speaker's fabric cover to match your style.

SETUP

1. Powering On and Charging

Before first use, fully charge your ZIPP MINI Copenhagen Edition speaker.

1. Connect the provided power adapter to the speaker's charging port.
2. Plug the power adapter into a wall outlet.

3. The speaker's indicator light will show charging status. A full charge provides approximately 10 hours of playback.

4. To power on, press and hold the power button located on the speaker's base until the indicator light illuminates.

2. Libratone App Setup

For full control and advanced features, download the Libratone App from your device's app store.

1. Download and install the "Libratone APP" on your smartphone or tablet.

2. Open the app and follow the on-screen instructions to connect your ZIPP MINI Copenhagen Edition speaker to your Wi-Fi network.

3. The app allows you to manage settings, combine speakers, and control playback.

3. Connectivity Options

Your speaker supports multiple ways to connect and stream audio.

- **Wi-Fi:** For the highest quality audio and multi-room functionality, connect your speaker to your home Wi-Fi network via the Libratone App. This enables AirPlay 2 and Spotify Connect.
- **Bluetooth:** For direct connection from your device, activate Bluetooth on your device and select "Libratone ZIPP MINI" from the list of available devices.
- **AirPlay 2:** Stream audio from Apple devices over Wi-Fi. Ensure your speaker is connected to the same Wi-Fi network as your Apple device.
- **Spotify Connect:** Play music directly from the Spotify app. Your speaker must be connected to Wi-Fi.
- **USB:** Connect devices via the USB port for playback or charging.
- **3.5mm Audio Jack:** Use a standard audio cable to connect devices with a 3.5mm output.

OPERATING INSTRUCTIONS

1. Touch Interface Controls

The top of your ZIPP MINI Copenhagen Edition features a touch-sensitive control panel.

- **Play/Pause:** Tap the center of the touch interface.
- **Volume Control:** Swipe clockwise to increase volume, counter-clockwise to decrease.
- **Skip Track:** Swipe right for next track, swipe left for previous track.
- **Hush Function:** Place your hand over the entire touch interface to temporarily lower the volume. Remove your hand to restore volume.
- **Source Selection:** Tap the source icon (if available) to cycle through input modes.

2. Multi-Room Audio with SoundSpace Link

Create a synchronized audio experience across multiple rooms.

1. Ensure all ZIPP or ZIPP MINI speakers are connected to the same Wi-Fi network via the Libratone App.
2. Open the Libratone App and navigate to the SoundSpace Link section.
3. Select the speakers you wish to group together to play the same audio simultaneously.
4. You can also create stereo pairs for an enhanced listening experience.

MAINTENANCE

1. Cleaning Your Speaker

To keep your speaker in optimal condition:

- Wipe the speaker's surfaces with a soft, dry cloth.

- Avoid using harsh chemicals, solvents, or abrasive cleaners.
- Ensure no liquids enter the speaker's openings.

2. Changing the Speaker Cover

The ZIPP MINI Copenhagen Edition features a removable fabric cover for personalization.

1. Locate the zipper at the base of the speaker cover.
2. Carefully unzip the cover and slide it off the speaker.
3. To attach a new cover, align it with the speaker and zip it up securely.

TROUBLESHOOTING

If you encounter issues with your Libratone ZIPP MINI Copenhagen Edition, try the following steps:

- **No Power:** Ensure the speaker is charged or connected to a power source. Check the power adapter and outlet.
- **No Sound:** Verify the volume is not muted or too low on both the speaker and your connected device. Check the audio source selection.
- **Connectivity Issues (Wi-Fi/Bluetooth):**
  - Restart the speaker and your device.
  - For Wi-Fi, ensure your speaker is within range of your router and connected via the Libratone App.
  - For Bluetooth, ensure your device's Bluetooth is enabled and the speaker is in pairing mode (if applicable).
  - Forget the device in your Bluetooth settings and re-pair.
- **App Not Connecting:** Ensure your speaker is powered on and connected to Wi-Fi. Update the Libratone App to the latest version.
- **Sound Distortion:** Reduce the volume on both the speaker and the source device. Check for interference from other electronic devices.

For further assistance, refer to the support section on the Libratone website or contact customer service.
