3. SETUP AND PLACEMENT

The Bedsure Sherpa Fleece Blanket requires minimal setup. Upon receiving your blanket, remove it from its packaging. It is recommended to wash the blanket before its first use to remove any manufacturing residues and enhance its softness.

3.1 Unpacking

1. Carefully open the product packaging.
2. Remove the blanket and any tags or labels.
3. Unfold the blanket completely.

3.2 Initial Placement

Place the blanket on your bed, sofa, or any desired surface. The reversible design allows you to choose between the smooth mink-like side or the plush sherpa side, depending on your preference for texture and warmth.

5. MAINTENANCE AND CARE

Proper care will help maintain the softness, color, and integrity of your Bedsure Sherpa Fleece Blanket over time.

5.1 Washing Instructions

- **Machine Wash:** Use cold water on a gentle cycle.
- **Detergent:** Use a mild detergent.
- **Bleach:** Do not use bleach or harsh chemicals.
- **Separate Wash:** Wash separately from other items to prevent lint transfer.

5.2 Drying Instructions

- **Tumble Dry:** Tumble dry on low heat.
- **Avoid High Heat:** High heat can damage the fibers and reduce softness.

- **Air Dry:** For best results and to preserve softness, air dry or line dry if possible.

5.3 Storage

When not in use, fold the blanket neatly and store it in a dry, cool place away from direct sunlight to prevent fading.

6. TROUBLESHOOTING

While the Bedsure Sherpa Fleece Blanket is designed for durability, here are some common considerations:

6.1 Static Electricity

Fleece materials can sometimes generate static electricity, especially in dry environments. To minimize static:

- Use a fabric softener during washing.
- Add dryer sheets when tumble drying.
- Increase humidity in the room if possible.

6.2 Pilling or Shedding

This blanket is designed to be resistant to pilling and shedding. If you notice any minor pilling, it can often be removed with a fabric shaver. Ensure you follow the washing and drying instructions carefully, as improper care can contribute to these issues.
