On Men's The Roger Advantage Shoes Instruction Manual

Model: The Roger Advantage

INTRODUCTION

The On Men's The Roger Advantage Shoes are engineered for all-day cushioning and support, utilizing CloudTec Phase® technology. This design aims to provide enhanced comfort for various activities, allowing users to move further with ease. The shoes incorporate recycled content, with approximately 30% total recycled content and about 98% recycled polyester, reflecting a commitment to sustainable practices.

KEY FEATURES

- **CloudTec Phase® Technology:** Provides advanced cushioning and support for prolonged comfort.
- **Lightweight Design:** Constructed with performance mesh for a light and breathable feel.
- **Signature Speed-Lacing System:** Features a bungee closure for easy slip-on and a secure, comfortable fit without traditional tying.
- **Recycled Materials:** Made with approximately 30% total recycled content, including about 98% recycled polyester.
- **Rubber Sole:** Durable rubber sole for reliable traction.

WEARING INSTRUCTIONS

These shoes feature a signature speed-lacing system with a bungee closure, designed for convenience and a snug fit. To wear:

1. Gently pull the tongue and heel tab to widen the shoe opening.
2. Slide your foot into the shoe. The bungee laces will adjust to provide a secure fit.
3. Ensure your heel is comfortably seated in the heel cup.
4. No tying is required; the lacing system is designed for a slip-on experience.

For optimal comfort, ensure the fit is snug but not overly tight, allowing for natural foot movement.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your On Men's The Roger Advantage Shoes.

- **Cleaning:** For general cleaning, gently brush off loose dirt. Use a mild soap and water solution with a soft cloth or brush to clean the mesh and sole. Avoid harsh chemicals.
- **Machine Washing:** While some users have reported success with machine washing, it is generally recommended to hand wash to preserve the shoe's structure and materials. If machine washing, use a delicate cycle with cold water and a mild detergent. Place shoes in a mesh laundry bag.
- **Drying:** Air dry your shoes at room temperature. Do not use a dryer or direct heat, as this can damage the materials and adhesives.
- **Storage:** Store shoes in a cool, dry place away from direct sunlight.

Note: These shoes are designed with a breathable pattern and are not water-resistant. Avoid prolonged exposure to heavy rain or standing water.

PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	On
Model Number	40.99701
Department	Adults/Unisex
Product Dimensions	9 x 6 x 0.5 inches; 1.31 Pounds
Sole Material	Rubber
Outer Material	Performance mesh
Closure Type	Bungee
