Mega Bloks Call of Duty Wraith Attack Vehicle Instruction Manual

Model: DKX54

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Mega Bloks Call of Duty Wraith Attack Vehicle construction set. Please read all instructions carefully before beginning assembly to ensure proper construction and enjoyment of your model.

The Wraith Attack Vehicle is a buildable drone aircraft featuring articulated wings and dual propellers, designed for advanced combat scenarios. It includes a high-tech surveillance system, multi-directional front-mounted cannon, and side-mounted machine guns. The set also comes with two highly detailed, super-poseable micro action figures equipped with interchangeable exosuit armor and weapon accessories.

ASSEMBLY INSTRUCTIONS

Assembly of the Mega Bloks Call of Duty Wraith Attack Vehicle requires careful attention to detail. Follow the step-by-step visual guide provided in the separate assembly booklet included in your package. Each step illustrates which pieces to use and how they connect.

1. **Unpack Components:** Carefully remove all building pieces from the packaging. It is recommended to sort pieces by color and type to facilitate assembly.
2. **Follow Step-by-Step Guide:** Refer to the dedicated assembly instruction booklet. Each page details specific sub-assemblies and their integration into the main model.
3. **Secure Connections:** Ensure all blocks are firmly pressed together to create stable connections.
4. **Figure Assembly:** Assemble the micro action figures, attaching their interchangeable exosuit armor and weapon accessories as desired.
5. **Display Stand Assembly:** Construct the articulated Drone Hunter stand according to its specific instructions.

OPERATING INSTRUCTIONS

Once assembled, the Wraith Attack Vehicle and its figures are ready for display and imaginative play. This is a manual operation toy, meaning no batteries or electronic components are required.

- **Positioning the Vehicle:** The articulated display stand allows for various flight poses. Adjust the stand to achieve desired angles for the Wraith Attack Vehicle.
- **Articulated Wings and Propellers:** The vehicle's wings and dual propellers can be manually adjusted to simulate different flight modes, such as vertical takeoff and landing.
- **Weaponry:** The multi-directional front-mounted cannon and side-mounted machine guns can be manually pivoted for aiming.
- **Action Figures:** The super-poseable micro action figures can be positioned in various stances and interact with the vehicle or other elements of your collection. Their armor and weapons are interchangeable for customization.

MAINTENANCE

To ensure the longevity and appearance of your Mega Bloks set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, gently wipe with a damp cloth and mild soap, then rinse and air dry completely. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.

- **Handling:** Handle the model and figures with care to avoid accidental breakage of smaller parts or connections.

TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following common solutions:

- **Missing Pieces:** Double-check the packaging and surrounding area. If pieces are genuinely missing, contact Mega Brands customer support (refer to the Warranty and Support section).
- **Loose Connections:** Ensure that blocks are fully pressed together. Sometimes, a firm push is needed to secure connections.
- **Difficulty with Articulation:** If joints on figures or the stand are stiff, gently work them back and forth. Avoid excessive force.
- **Damaged Parts:** If a part is damaged upon opening, do not attempt to force it. Contact customer support for a replacement.
