NEBO Larry C LED Flashlight 170 Lumens User Manual

Model: 6327

1. INTRODUCTION AND OVERVIEW

The NEBO Larry C is a compact and durable LED work light designed for various applications. It features COB LED technology, providing 170 lumens of illumination. The integrated magnetic clip allows for hands-free operation, attaching to metallic surfaces. Its reinforced plastic body offers water and impact resistance, ensuring reliability in diverse environments.

2. PRODUCT FEATURES

- **COB LED Technology:** Delivers 170 lumens of bright, uniform light.
- **Magnetic Swivel Clip:** Provides versatile hands-free lighting by attaching to metal surfaces and allowing directional adjustment.
- **Durable Construction:** Reinforced plastic body is water and impact-resistant.
- **Top-Positioned ON/OFF Button:** Easy access for power control.
- **Protective LED Housing:** Shields the light source from damage.
- **Battery Powered:** Operates on 3 AAA batteries (included).

3. SETUP

3.1 Battery Requirements

The NEBO Larry C flashlight requires three (3) AAA alkaline batteries for operation. These batteries are typically included with the product.

3.2 Battery Installation Steps

1. Locate the battery cap at the bottom of the flashlight.
2. Unscrew the battery cap by turning it counter-clockwise.
3. Insert three (3) AAA batteries into the battery compartment, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery cap by screwing it clockwise until securely tightened.

Image: NEBO Larry C flashlights. The bottom of each flashlight shows the battery cap with polarity markings, indicating where batteries are inserted.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

To turn the flashlight ON, press the power button located at the top of the unit. Press the button again to turn the flashlight OFF.

4.2 Using the Magnetic Clip

The NEBO Larry C features a magnetic swivel clip. This clip allows the flashlight to be securely attached to any ferrous metal surface for hands-free illumination. The swivel function enables adjustment of the light beam direction.

5. MAINTENANCE

- **Cleaning:** Wipe the flashlight body with a soft, damp cloth. Do not use abrasive cleaners or solvents.

- **Battery Replacement:** Replace all three AAA batteries simultaneously when the light output diminishes. Do not mix old and new batteries or different battery types.
- **Storage:** If storing the flashlight for an extended period (more than 30 days), remove the batteries to prevent leakage and potential damage to the device. Store in a cool, dry place.
- **Water Resistance:** While water-resistant, avoid submerging the flashlight in water. Ensure the battery cap is securely tightened to maintain water resistance.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Flashlight does not turn on.	<ul style="list-style-type: none"> ◦ Dead or incorrectly installed batteries. ◦ Loose battery cap. 	<ul style="list-style-type: none"> ◦ Replace batteries with new AAA batteries, ensuring correct polarity. ◦ Tighten the battery cap securely.
Light is dim or flickers.	<ul style="list-style-type: none"> ◦ Low battery power. ◦ Loose battery connection. 	<ul style="list-style-type: none"> ◦ Replace batteries with new AAA batteries. ◦ Ensure batteries are properly seated and the cap is tight.
Magnetic clip does not hold securely.	<ul style="list-style-type: none"> ◦ Surface is not ferrous metal. ◦ Surface is too thin or uneven. 	<ul style="list-style-type: none"> ◦ Ensure attachment to a suitable metal surface. ◦ Adjust position or find a flatter, thicker metal surface.

7. SPECIFICATIONS

Model:	6327
Light Output:	170 Lumens
Light Source Type:	COB LED
Power Source:	3 x AAA Batteries (Alkaline)
Material:	Reinforced Plastic
Water Resistance:	Water Resistant
Impact Resistance:	Yes
Dimensions:	0.88 x 7.4 x 1.13 inches
Item Weight:	0.16 ounces (without batteries)

8. WARRANTY AND SUPPORT

For information regarding warranty coverage, product support, or to contact customer service, please refer to the official NEBO website or the documentation included with your purchase. Keep your proof of purchase for warranty claims.
