7. MAINTENANCE

Cleaning

To ensure hygiene and longevity of your device:

- Clean the device thoroughly with mild soap and warm water after each use.
- Rinse completely and pat dry with a lint-free cloth.
- Avoid using harsh chemicals, alcohol-based cleaners, or petroleum-based lubricants, as these can damage the material.

Storage

Store your SVAKOM Echo in a clean, dry place, away from direct sunlight and extreme temperatures. Use the provided storage pouch to protect it from dust and damage.

8. TROUBLESHOOTING

Device Not Turning On or Responding

- Ensure the device is fully charged. Connect it to the charger and allow at least 1 hour for a full charge.
- Verify that the charging cable is securely connected to both the device and the power source.
- Try holding down the power button for a longer duration (up to 5 seconds) to ensure it registers.
- If the issue persists after charging, contact customer support.
