Safety 1st CC138DWV

Safety 1st Grow and Go All-in-One Slim Convertible Car Seat

MODEL: CC138DWV

Introduction

The Safety 1st Grow and Go All-in-One Slim Convertible Car Seat is designed to adapt to your child's growth, providing safety and comfort from infancy through their booster years. This versatile car seat supports three distinct stages of use, ensuring a secure fit as your child develops.

- **Rear-Facing:** Suitable for infants weighing 5 to 40 lbs and measuring 19" to 40".
- **Forward-Facing:** Designed for toddlers weighing 30 to 65 lbs and measuring 34.4" to 49".
- **High-Back Booster:** Accommodates children weighing 40 to 100 lbs and measuring 43.4" to 52".

For detailed safety information and complete installation instructions, always refer to the official user manual provided with your car seat.

The Car Seat Built to GROW

for extended
use through
3 stages

**Rear-
Facing**
5-40 lbs.

**Forward-
Facing**
22-65 lbs.

**Belt-Positioning
Booster**
40-100 lbs.

Setup and Installation

Proper installation is crucial for your child's safety. The Safety 1st Grow and Go car seat offers flexible installation options to fit various vehicles. Always ensure the car seat is securely installed according to the instructions for the specific mode of use.

Installation Methods

- **LATCH System:** Utilize the Lower Anchors and Tethers for Children (LATCH) system available in most modern vehicles for a secure attachment.
- **Vehicle Seat Belt:** Install the car seat using your vehicle's lap and shoulder belt system.

Warning: Always consult your vehicle's owner's manual and the car seat's instruction manual for specific installation guidelines and weight limits for LATCH and seat belt use.

Mode-Specific Setup

The car seat features a 3-position recline to ensure a comfortable and safe angle for your child, especially in rear-facing mode.

Figure 3: Forward-facing installation for toddlers (30-65 lbs).

Figure 4: High-back booster installation for older children (40-100 lbs).

Operating Features

The Safety 1st Grow and Go car seat includes several user-friendly features designed for convenience and ease of use.

QuickFit Harness System

The QuickFit harness system allows for simultaneous adjustment of the harness and headrest, eliminating the need for re-threading as your child grows. This ensures a proper and secure fit with minimal effort.

Figure 5: The QuickFit harness system allows for easy height adjustments.

Harness Holders

Integrated harness holders keep the harness straps out of the way when placing your child in or taking them out of the car seat, simplifying the process and preventing tangles.

Care and Maintenance

Keeping your car seat clean is essential for hygiene and longevity. The Safety 1st Grow and Go is designed for easy cleaning.

Seat Pad Cleaning

The seat pad is removable, machine-washable, and dryer-safe, allowing for thorough and convenient cleaning after spills or messes. Follow the care instructions on the fabric label for best results.

Troubleshooting

If you encounter any issues with your Safety 1st Grow and Go car seat, please refer to the comprehensive troubleshooting section in the official user manual. Common issues and their solutions are detailed there.

- **Harness Adjustment:** Ensure the QuickFit handle is fully engaged and the harness straps are free from twists.
- **Installation Stability:** Verify that the car seat is installed tightly with less than one inch of movement at the belt path. Re-read the manual's installation steps carefully.
- **Recline Issues:** Check for any obstructions preventing the recline mechanism from moving freely.

For persistent problems or safety concerns, discontinue use and contact Safety 1st customer support immediately.

Warranty and Support

The Safety 1st Grow and Go All-in-One Slim Convertible Car Seat comes with a manufacturer's warranty. For specific warranty terms, conditions, and duration, please refer to the warranty section in your user manual.

For customer support, replacement parts, or any inquiries not covered in this manual, please visit the official Safety 1st website or contact their customer service line. Keep your product's model number and manufacturing date (found on the car seat label) ready when contacting support.
