# User Manual for Mini Paddle Balls

Model: 74260

## INTRODUCTION

---

This manual provides essential information for the safe and effective use of your Mini Paddle Balls. Please read it thoroughly before use and retain it for future reference.

The Mini Paddle Balls are designed for recreational play, promoting hand-eye coordination and active fun. This pack includes 8 paddle balls in assorted colors.

## PACKAGE CONTENTS

---

- 8 x Mini Paddle Balls (Assorted Colors)

## SETUP

---

The Mini Paddle Balls come pre-assembled and ready for immediate use. No additional setup or tools are required.

1. Remove the paddle balls from their packaging.
2. Inspect each paddle ball for any visible damage before play.

## OPERATING INSTRUCTIONS

---

The objective of the paddle ball game is to continuously hit the ball with the paddle without letting it stop or fall.

1. Hold the paddle firmly by the handle.
2. Allow the ball, which is attached by an elastic string, to hang freely.
3. Gently swing the paddle to hit the ball upwards and away from you.
4. As the ball rebounds due to the elastic string, hit it again with the paddle.
5. Practice maintaining a consistent rhythm to keep the ball in play.

**Tip:** Start with gentle swings and gradually increase power as your coordination improves. Focus on hitting the center of the paddle for best results.

## MAINTENANCE

Proper care will extend the life of your Mini Paddle Balls.

- **Cleaning:** Wipe the paddles and balls with a damp cloth to remove dirt or dust. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the paddle balls in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check the elastic string and the attachment points for signs of wear or damage. Discontinue use if any part is broken or significantly worn.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Ball does not rebound properly.	Elastic string is stretched or damaged.	Inspect the string. If damaged, the paddle ball may need replacement.
Difficulty hitting the ball consistently.	Incorrect paddle angle or swing force.	Practice with lighter swings and focus on hitting the ball squarely in the center of the paddle. Adjust your distance from the ball.
