## SETUP

Upon receiving your Madison Park Amherst Comforter Set, carefully remove all items from the packaging. Due to vacuum sealing or tight packaging, the comforter and decorative pillows may appear compressed. Allow them to air out and fluff naturally for 24-48 hours to regain their full loft and shape. Gently patting or shaking the items can help accelerate this process.

Place the bed skirt on your bed frame before positioning the mattress. Arrange the comforter evenly over your mattress. Insert standard pillows into the shams and place them at the head of the bed. Arrange the decorative pillows as desired to complete the look.

## MAINTENANCE

Proper care ensures the longevity and appearance of your comforter set. Follow these instructions carefully:

- **Decorative Pillows:** Spot clean only. Do not machine wash or tumble dry decorative pillows, as this may damage their intricate designs and filling.
