KAWADA NBC-170

KAWADA NanoBlock NBC-170 Lion Micro Block Miniature Collection Puzzle Instruction Manual

Model: NBC-170

1. Introduction

This manual provides essential instructions for the assembly and care of your KAWADA NanoBlock NBC-170 Lion Micro Block Miniature Collection Puzzle. NanoBlock is a line of construction toys featuring micro-sized building blocks, designed for detailed and intricate models. This specific set allows you to construct a miniature lion figure using 140 pieces.
Please read this manual thoroughly before beginning assembly to ensure a correct and enjoyable building experience.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from infants and young children.
- **Recommended Age:** The manufacturer recommends this product for ages 13-15 years due to the small size and intricate nature of the blocks. Adult supervision is advised for younger builders.
- **Handling:** Handle blocks carefully to avoid loss. Do not put blocks in mouth or nose.
- **Storage:** Store blocks in a safe place to prevent loss or damage.

3. Setup Before Assembly

1. **Unpack Contents:** Carefully open the product packaging.
2. **Verify Components:** Ensure all 140 micro-sized building blocks and the assembly instructions are present. Refer to the packaging image below for reference.
3. **Prepare Workspace:** Choose a clean, well-lit, and flat surface for assembly. Due to the small size of the blocks, a contained area is recommended to prevent pieces from being lost.

4. Assembly Instructions

The KAWADA NanoBlock NBC-170 Lion model is assembled by following the detailed step-by-step instructions included in the package. These instructions typically use diagrams to illustrate block placement.

- **Refer to Included Manual:** Always follow the specific assembly guide provided within your product package.
- **Identify Blocks:** Familiarize yourself with the different shapes and colors of the micro blocks.
- **Layer-by-Layer Construction:** NanoBlock models are typically built layer by layer from the base upwards. Pay close attention to the orientation and connection points of each block.
- **Precision:** Due to the small size of the blocks, precision is key. Use tweezers if necessary for placing very small or difficult-to-reach pieces.
- **Check Progress:** Regularly compare your progress with the diagrams in the instruction manual to ensure accuracy.

5. Operating Instructions

Once assembled, the KAWADA NanoBlock Lion is a static display model. No operational steps are required.

- **Display:** Place the completed model on a stable surface for display.
- **Handling:** Handle the model gently to avoid accidental disassembly, especially of smaller components.

6. Maintenance and Storage

- **Cleaning:** To clean the assembled model, gently dust with a soft, dry brush or cloth. Avoid using water or chemical

cleaners, as these may damage the blocks or affect their color.

- **Storage:** If disassembling for storage, keep all blocks in a sealed container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.

7. Troubleshooting

- **Missing Pieces:** Double-check your workspace and packaging for any small pieces that may have been overlooked. If pieces are genuinely missing, contact the retailer or manufacturer's customer support.
- **Difficulty Assembling:** Review the instruction manual carefully. Ensure blocks are oriented correctly and fully connected. Sometimes, a small amount of pressure is needed to secure blocks.
- **Model Instability:** If the assembled model feels unstable, re-examine the connections of the base layers and critical support structures as per the instructions.

8. Product Specifications

Product Name	KAWADA NanoBlock Lion Micro Block Miniature Collection Puzzle
Model Number	NBC-170
Brand	KAWADA
Number of Pieces	140
Product Dimensions	4 x 0.5 x 7 inches (packaging/product, specific assembled dimensions may vary)
Item Weight	0.704 ounces
Recommended Age	13 - 15 years
ASIN	B0166KM22G
Release Date	November 11, 2017
Manufacturer	Japan VideoGames

9. Warranty and Support

For information regarding product warranty, missing parts, or customer support, please refer to the contact information provided on the product packaging or contact the retailer where the product was purchased. KAWADA Co. Ltd. is the manufacturer of NanoBlock products.
