2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 36 months. Keep all components away from infants and young children to prevent accidental ingestion.
- **Recommended Age:** This product is recommended for ages 13 to 15 years, but can be enjoyed by anyone who meets the safety requirements and enjoys intricate building.

- **Adult Supervision:** Adult supervision is recommended for younger builders.
- **Handling:** Handle blocks carefully to avoid loss or damage.

3. Parts List

The Kawada NanoBlock NBC-171 set includes approximately 160 micro-sized building blocks in various shapes and colors necessary to construct the electric guitar model. A detailed list of specific block types and quantities is provided within the included assembly instructions booklet.
Before beginning assembly, carefully open the packaging and verify that all pieces are present by comparing them against the parts list in the instruction booklet. If any pieces are missing or damaged, please refer to the "Support" section for assistance.

4. Assembly Instructions

The assembly of your NanoBlock Electric Guitar model is guided by the comprehensive, step-by-step instructions included in your product package. Please follow these instructions precisely for the best building experience and outcome.

1. **Preparation:** Lay out all your blocks on a clean, flat surface. It can be helpful to sort blocks by color and size to make them easier to find during assembly.
2. **Follow the Booklet:** Refer to the numbered steps and diagrams in the provided instruction booklet. Each step illustrates which blocks to use and where to place them.
3. **Precision:** NanoBlocks are small. Use tweezers (not included) if necessary for precise placement, especially for smaller pieces.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
5. **Review:** Periodically review your progress against the diagrams to catch any errors early.

Note: The instruction booklet is the primary guide for assembly. This section provides general tips to aid in the building process.

5. Maintenance

To keep your assembled NanoBlock Electric Guitar model in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Dust your model regularly with a soft brush or a can of compressed air. For more stubborn dirt, gently wipe with a slightly damp cloth, then immediately dry with a soft, lint-free cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store your model in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation.
- **Handling:** Handle the assembled model with care to avoid accidental disassembly.

6. Troubleshooting

If you encounter any issues during assembly or with your completed model, consider the following:

- **Missing Pieces:** Double-check the packaging and your work area. If a piece is genuinely missing, please contact Kawada customer support as detailed in the "Support" section.
- **Blocks Not Connecting:** Ensure you are using the correct blocks for the step. Sometimes, blocks may appear similar but have slight differences. Verify the orientation of the blocks as shown in the instruction diagrams.
- **Model Instability:** Re-examine previous steps to ensure all blocks are firmly pressed into place. A loose connection can affect the overall stability of the model.
