## OPERATING INSTRUCTIONS

The Playmobil 1.2.3 My Take Along Farm is designed for open-ended imaginative play.

- **Figure Interaction:** The included figure can bend, sit, stand, and turn its head, allowing for various poses and interactions with the farm environment and animals.
- **Animal Care:** Use the troughs to "feed" the cows and pigs. Place the dog in its dog hut. The cat can be placed on the chair.
- **Shape Sorting:** The farm features shape-sorting slots in the loft area. The bag, barrel, and crate are designed to fit through these specific shapes, promoting early learning and motor skills.
