Monarch Specialties I 2375

Monarch Specialties I 2375 Swivel Bar Stool Instruction Manual

Model: I 2375 | Brand: Monarch Specialties

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your Monarch Specialties I 2375 Swivel Bar Stools. These bar stools feature a contemporary design with a matte black metal frame and comfortable black leather-look swivel seats. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

Always follow basic safety precautions when assembling and using this product to reduce the risk of injury. Ensure all parts are securely fastened before use. Do not stand on the bar stools. Do not exceed the maximum weight capacity of 90.72 kg (200 lbs). Keep small parts away from children during assembly.

PACKAGE CONTENTS

Your package should contain the following items:

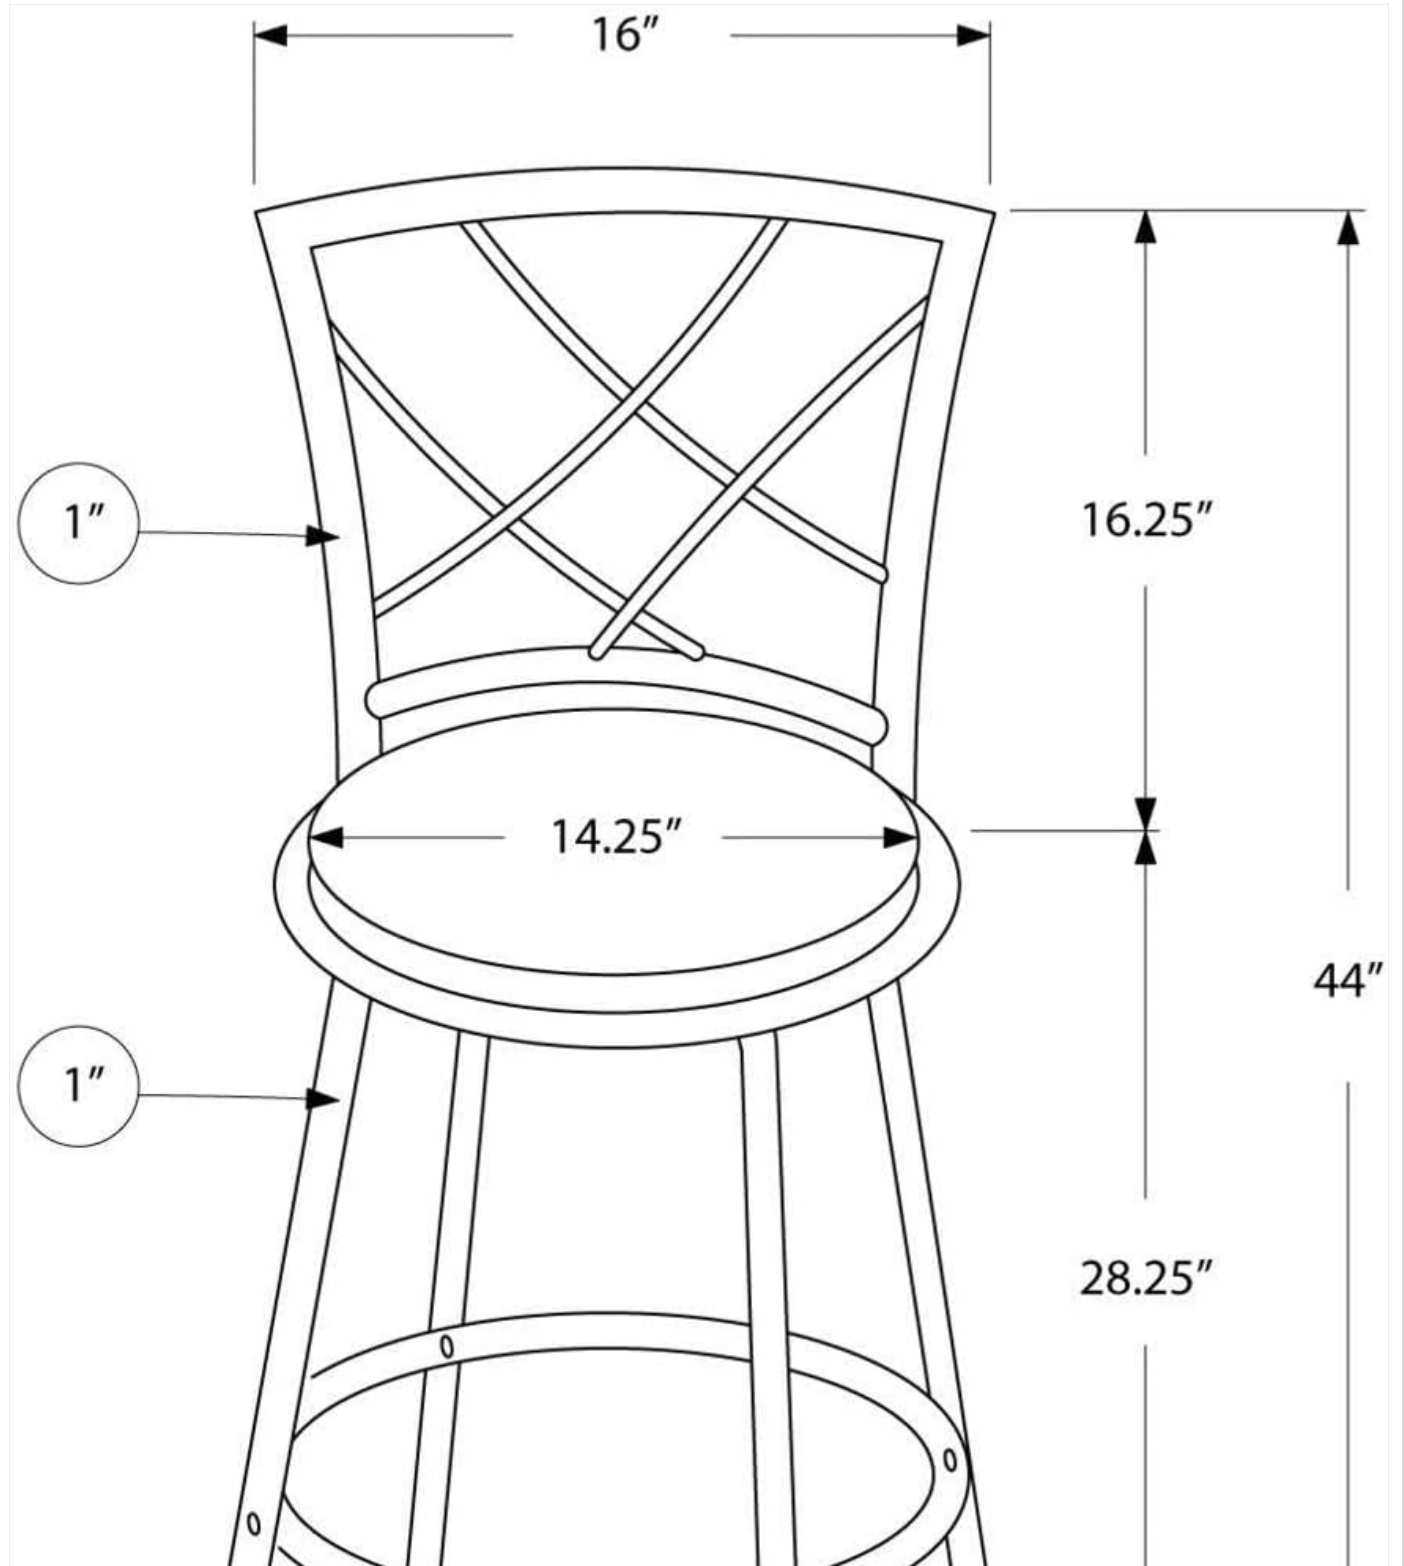

- 2 x Bar Stools (disassembled)
- All necessary assembly hardware

Please check all components against the parts list provided in the separate installation manual (PDF) to ensure nothing is missing. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

SETUP AND ASSEMBLY

Detailed assembly instructions are provided in the included PDF manual. Please refer to that document for step-by-step guidance. A general overview of the assembly process is as follows:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratching.
2. Attach the seat frame to the base.
3. Secure the backrest to the seat frame.
4. Ensure all screws and bolts are tightened securely, but do not overtighten.

OPERATING INSTRUCTIONS

The Monarch Specialties I 2375 Bar Stool features a **swivel seat** for ease of movement and conversation. Simply rotate the seat to adjust your position. The integrated **footrest** provides comfortable support for your feet while seated.

MAINTENANCE

To maintain the appearance and longevity of your bar stools, follow these care instructions:

- **Cleaning:** Wipe the metal frame and PU leather-look seat with a dry cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Inspection:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to prevent wobbling and ensure stability.
- **Placement:** Avoid prolonged exposure to direct sunlight or extreme temperatures, which can cause fading or damage to the materials.

TROUBLESHOOTING

If you encounter any issues with your bar stools, consider the following common solutions:

- **Wobbling:** Ensure all assembly hardware is fully tightened. Uneven floors can also cause wobbling; try repositioning the stool or using furniture pads.
- **Difficulty Swiveling:** Check for any obstructions around the swivel mechanism. Ensure the stool is on a level surface.
- **Loose Parts:** Regularly inspect and tighten any loose screws or bolts.

If problems persist, please contact Monarch Specialties customer support for further assistance.
