SETUP

1. Battery Installation

The Insignia NS-RC4NA-16 remote control requires two AAA batteries (not included) for operation. Follow these steps to install them:

1. Locate the battery compartment on the back of the remote control.
2. Press down on the latch and slide the battery cover downwards to open it.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery cover back into place until it clicks securely.

Note: Always use new batteries and replace both batteries at the same time. Do not mix old and new batteries or different types of batteries.

2. Initial Use

This remote control is designed as a direct replacement for compatible Insignia televisions. No programming or pairing is typically required. After installing the batteries, point the remote control at your television and press the **Power** button to turn on the TV.

OPERATION

The Insignia NS-RC4NA-16 remote control provides full functionality for your compatible Insignia television. Below are the general functions of common buttons:

Refer to your television's user manual for specific functions and advanced settings accessible via the remote control.

MAINTENANCE

Cleaning the Remote Control

To maintain the remote control's appearance and functionality:

- Wipe the surface with a soft, dry cloth.
- For stubborn dirt, lightly dampen the cloth with water or a mild, non-abrasive cleaner.
- Do not use harsh chemicals, solvents, or abrasive cleaning pads, as these can damage the remote's finish or internal components.

Battery Care and Replacement

If the remote control's range decreases or buttons become unresponsive, it may be time to replace the batteries. Follow the battery installation steps outlined in the Setup section. Remove batteries if the remote will not be used for an extended period to prevent leakage.

Storage

Store the remote control in a cool, dry place away from direct sunlight, extreme temperatures, and high humidity to prolong its lifespan.

TROUBLESHOOTING
