## BabyBjörn 005083US

# BabyBjörn Bouncer Balance Soft Instruction Manual

Model: 005083US

Brand: BabyBjörn

## INTRODUCTION

---

The BabyBjörn Bouncer Balance Soft is an ergonomic baby bouncer designed for both play and rest, allowing your baby to be comfortably beside you while you attend to daily tasks. Its gentle rocking motion is activated by your baby's own movements, stimulating their development. The fitted fabric seat provides excellent support for your baby's back, neck, and head. This versatile product can be used from birth up to approximately two years of age, transitioning from a bouncer to a comfortable toddler chair.

## SAFETY INFORMATION

---

Always prioritize your child's safety. Adhere to the following guidelines:

- Ensure the bouncer is placed on a flat, stable surface.
- Never leave your child unattended in the bouncer.
- Always use the restraint system to secure your child.
- Do not use the bouncer if any parts are damaged or missing.
- The bouncer is suitable for children from 8 lbs/21 in (3.5 kg/53 cm) up to 29 lbs (13 kg).
- Do not use the bouncer as a carrying device.

## SETUP

---

The BabyBjörn Bouncer Balance Soft comes pre-assembled and ready for use. Simply unfold the frame and ensure it clicks securely into one of the three height positions. The bouncer can also be folded completely flat for easy transport and storage.

## OPERATING INSTRUCTIONS

---

### Adjusting Positions

The bouncer offers three different height positions and one transport mode. To adjust the position, lift the red lever located at the base of the bouncer and move the seat to the desired position. Ensure it locks securely into place before placing your child in it.

Your browser does not support the video tag.

Video: Demonstrates how to easily change the bouncer's position by adjusting the red lever at the base.

### Natural Rocking Motion

The bouncer is designed to rock gently in response to your baby's own movements. This natural rocking helps to develop your baby's motor skills and balance. No batteries or external power source are required.

## MAINTENANCE

---

### Cleaning the Fabric Seat

The fabric seat is easy to remove and machine washable. Simply unhook the fabric from the frame and follow the washing instructions on the label (typically machine wash warm, gentle cycle, no bleach). Air dry for best results.

## TROUBLESHOOTING

---

If you encounter any issues with your BabyBjörn Bouncer Balance Soft, please refer to the following common solutions:

- **Bouncer not rocking:** Ensure the bouncer is on a flat, even surface. The rocking motion is generated by the baby's own movements.
- **Difficulty adjusting positions:** Make sure the red lever is fully lifted and the metal rods are properly aligned with the grooves before attempting to adjust. Do not force the adjustment.
- **Fabric seat not fitting correctly:** Double-check that all hooks and loops are securely fastened to the frame. The fabric may feel snug when new.

For further assistance, please contact BabyBjörn customer support.

## SPECIFICATIONS

Item Model Number	005083US
Target Gender	Unisex
Minimum Weight Recommendation	8 Pounds (3.5 kg)
Maximum Weight Recommendation	29 Pounds (13 kg)
Material Type	Polyester, Cotton, Elastane
Material Composition	80% Polyester, 16% Cotton, 4% Elastane (Main); 100% Cotton (Back Section)
Item Weight	5 Pounds (2.27 kg)
Product Dimensions	31 inches (W)
Batteries Required	No
Is Portable	Yes
