## Gemini CA-GM00173

# Gemini Women's Sterling Silver Hoop Earrings (Model CA-GM00173) Instruction Manual

Model: CA-GM00173

---

## INTRODUCTION

Thank you for choosing Gemini Women's Plain Sparkle Shiny Big Round Hoop Earrings. These elegant 2-inch (50mm) hoop earrings, model CA-GM00173, are crafted from high-quality sterling silver, offering a polished finish with a subtle sparkle. Designed for comfort and durability, they are hypoallergenic, nickel-free, and suitable for sensitive skin. This manual provides essential information for the proper setup, use, and care of your new earrings.

## SETUP AND WEARING INSTRUCTIONS

---

These earrings feature a secure lever back clasp for easy and comfortable wearing.

1. **Open the Clasp:** Gently pull the lever back mechanism away from the hoop to open the earring.
2. **Insert Earring:** Carefully guide the earring post through your ear piercing.
3. **Secure the Clasp:** Push the lever back mechanism until it clicks securely into place, ensuring the earring is firmly closed.
4. **Check Fit:** Lightly tug on the earring to confirm it is securely fastened and comfortable.

HYPOALLERGENIC, NICKLE FREE, LEAD FREE

## OPERATING (WEARING) GUIDELINES

These earrings are designed for everyday wear and special occasions. To ensure their longevity and appearance:

- Always ensure the lever back clasp is fully closed when wearing to prevent accidental loss.
- Avoid wearing earrings during strenuous activities that may cause them to snag or get damaged.
- Remove earrings before sleeping, showering, swimming, or engaging in sports.

## CARE AND MAINTENANCE

Proper care will help maintain the shine and quality of your sterling silver earrings.

### Cleaning

- **Regular Cleaning:** Gently wipe your earrings with a soft, lint-free cloth after each wear to remove oils and dirt.
- **Deep Cleaning:** For a more thorough clean, use a mild soap and warm water solution. Dip the earrings, gently scrub with a soft brush (like a toothbrush), rinse thoroughly with clean water, and dry completely with a soft cloth.
- **Avoid Chemicals:** Do not expose your earrings to harsh chemicals, perfumes, hairsprays, lotions, or household cleaners, as these can damage the silver and accelerate tarnishing.

### Storage

- Store your sterling silver earrings in an airtight bag or jewelry box when not in use. This helps to minimize exposure to air and moisture, which can cause tarnishing.
- Keep them separate from other jewelry to prevent scratches.

## Tarnishing

Sterling silver naturally tarnishes over time due to exposure to air and moisture. Regular cleaning and proper storage will slow this process. If tarnishing occurs, it can often be removed with a silver polishing cloth or a specialized silver cleaning solution.

## TROUBLESHOOTING

- **Earring Not Closing Securely:** Check the lever back clasp for any debris or slight misalignment. Gently adjust the clasp if needed, ensuring it snaps firmly into place. Do not force it.
- **Skin Irritation:** While these earrings are hypoallergenic and nickel-free, if irritation occurs, ensure they are clean. If irritation persists, discontinue use and consult a healthcare professional.
- **Dull Appearance:** If your earrings appear dull, they may need cleaning or polishing. Follow the "Care and Maintenance" instructions.

## PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	CA-GM00173
Brand	Gemini
Material	Sterling Silver
Metal Stamp	925
Earring Design	Hoop
Length (Diameter)	50 millimeters (approximately 2 inches)
