Beats ML4M2LL/A

Beats Pill+ Portable Wireless Speaker User Manual

Model: ML4M2LL/A | Brand: Beats

INTRODUCTION

The Beats Pill+ is a portable wireless speaker designed to deliver defined, pure sound quality. It features Bluetooth connectivity, a long-lasting battery, and a built-in microphone for phone calls. This manual provides essential information on setting up, operating, and maintaining your Beats Pill+ speaker.

SETUP

Charging Your Speaker

The Beats Pill+ features a 12-hour rechargeable battery. To charge your speaker, connect the included 1.5m Lightning to USB-A charging cable to the charging port on the back of the speaker and plug the USB-A end into the 12.5W PSU (Power Supply Unit) or a compatible USB power source. A quick charge can be achieved in approximately 3 hours. The LED fuel gauge on the top of the speaker indicates the remaining battery life.

STAY CHARGED ALL DAY

THE BEATS PILL+ HAS A 12-HOUR BATTERY LIFE
TO STAY CHARGED ON THE GO

Pairing with a Bluetooth Device

To pair your Beats Pill+ with a Bluetooth device, ensure the speaker is powered on. The speaker is compatible with both iOS and Android devices. Once powered on, the Beats logo in the center will illuminate and blink when ready for pairing. Select 'Beats Pill+' from your device's Bluetooth settings to connect.

PAIR AND PLAY

COMPATIBLE WITH iOS AND ANDROID.

OPERATING

Controls Overview

The Beats Pill+ features intuitive controls located on its top surface:

- **Power Button:** Located on the left, used to turn the speaker on/off and check battery status.
- **Beats 'b' Logo Button:** Located in the center, serves as your play/pause button. It will blink when disconnected from Bluetooth.
- **Volume Controls:** Located on the right, '+' for increasing volume and '-' for decreasing volume.

Sound Features

The speaker utilizes a stereo active 2-way crossover system, which creates an optimized sound field for dynamic range and clarity across all music genres. The tweeter and woofer separation employs acoustic mechanics similar to those found in professional recording studios, ensuring high-fidelity audio.

SOUND BIGGER THAN ITS SIZE

OPTIMIZED SOUND FIELD FOR DYNAMIC RANGE
AND CLARITY ACROSS ALL GENRES OF MUSIC.

Beats Pill+ App Features

Download the Beats Pill+ app (available on compatible iOS and select Android devices) to unlock additional features:

- **Amplify:** Add a second Beats Pill+ into the mix and simultaneously play from both speakers for a sound that's twice as full.
- **Stereo:** Use two Beats Pill+ speakers as left and right output for an even more dynamic sound experience.
- **DJ:** Grab a friend with a Bluetooth source and take turns running the music.

AMPLIFY YOUR SOUND

ADD A SECOND BEATS PILL+ INTO THE MIX AND
SIMULTANEOUSLY PLAY FROM BOTH SPEAKERS
FOR A SOUND THAT'S TWICE AS FULL

MAINTENANCE

General Care

The Beats Pill+ is constructed with a soft rubber material. To maintain its appearance and longevity, regularly wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners. For the white model, be aware that it may attract dirt and smudges more visibly over time, requiring more frequent cleaning.

Battery Care

To maximize battery lifespan, avoid fully discharging the speaker frequently. Charge the device regularly, even if not in constant use. Store the speaker in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

Common Issues and Solutions

- **Speaker not turning on:** Ensure the battery is charged. Connect the speaker to a power source and allow it to charge for a few minutes before attempting to power on again.
- **Cannot pair via Bluetooth:** Make sure the speaker is in pairing mode (Beats logo blinking). Turn off and on your device's Bluetooth, then try re-pairing. Ensure the speaker is not already connected to another device.
- **No sound or low volume:** Check the volume levels on both the speaker and your connected device. Ensure the speaker is properly paired and within Bluetooth range.

SPECIFICATIONS

Feature	Detail
Model Name	Beats Pill+
Speaker Type	Multi Room
Special Feature	Portable
Compatible Devices	Smartphone, Tablet
Color	Black
Battery Life	12 Hours
Product Dimensions	4.88"D x 8.66"W x 3.23"H
