Benchmaster Morgan 8M419 Swivel Faux Leather Recliner Chair with Ottoman Instruction Manual

Model: 8M419

INTRODUCTION

Thank you for choosing the Benchmaster Morgan Swivel Faux Leather Recliner Chair with Ottoman. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions thoroughly before use and retain them for future reference.

SAFETY INFORMATION

To ensure your safety and prolong the life of your recliner and ottoman, please observe the following precautions:

- Always follow the assembly instructions carefully.
- Do not force the chair into positions beyond its designed limits.
- Keep fingers and other body parts away from moving parts when adjusting the chair.
- Do not exceed the maximum weight recommendation of **265 lbs**.
- Avoid placing the chair in direct sunlight or near heat vents to prevent material damage.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present. If any parts are missing or damaged, please contact Benchmaster customer support.

- Recliner Chair Components (Backrest, Seat, Armrests, Base)
- Ottoman Components (Top, Base)
- Assembly Hardware (Bolts, Washers, Allen Wrenches)

ASSEMBLY INSTRUCTIONS

Light assembly is required for this product. It is recommended to have two people for assembly to ensure ease and safety. Please refer to the detailed step-by-step instructions included in your product packaging for specific guidance.

1. Carefully unpack all components and hardware. Place them on a soft, clean surface to prevent scratches.
2. Attach the chair backrest to the seat section, securing with the provided hardware.
3. Connect the armrests to the chair frame. Ensure all bolts are tightened securely but do not overtighten.
4. Assemble the chair base and attach the chair body to the base, ensuring the swivel mechanism is correctly aligned.
5. Assemble the ottoman base and attach the ottoman top.
6. Verify all connections are secure before using the chair and ottoman.

OPERATING INSTRUCTIONS

Reclining Function

The Benchmaster Morgan recliner features a manual push-back reclining mechanism. To recline, gently push back on the chair while applying slight pressure with your feet. The chair will recline to your desired position. To return to an upright position, lean forward and push with your feet.

360-Degree Swivel

The chair is equipped with a 360-degree swivel base, allowing for easy rotation. Simply rotate the chair to face any direction. The swivel mechanism is designed for smooth and stable movement.

Ottoman with Storage

The accompanying ottoman provides a comfortable footrest and features a hidden storage compartment. To access the storage, lift the top cushion of the ottoman. This space is suitable for magazines, remote controls, and other small items.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your Benchmaster Morgan recliner and ottoman.

- **General Cleaning:** Vacuum and brush away dust and grit as necessary using a soft brush attachment.
- **Spot Cleaning:** Clean along stitch seams, creases, and spaces that touch skin. Wipe with a soft, clean, dye-fast cloth dampened with plain water.
- **Deep Cleaning:** For more thorough cleaning, use a high-quality faux leather cleaning product or a mild, non-detergent, non-alkaline soap. Always test on an inconspicuous area first.
- **Avoid:** Do not use solvents or harsh detergents, as these can damage the faux leather material.
- **Protection:** Avoid prolonged exposure to direct sunlight and keep away from heat sources to prevent fading and material degradation.

TROUBLESHOOTING

If you encounter any issues with your recliner or ottoman, please refer to the following common solutions:

- **Reclining Difficulty:** Ensure no obstructions are preventing the mechanism from moving freely. Check that all assembly bolts are securely tightened.
- **Swivel Stiffness:** The swivel base should operate smoothly. If it feels stiff, check for any debris or obstructions beneath the base.
- **Unstable Feel:** Re-check all assembly connections to ensure they are properly tightened.

If problems persist, please contact Benchmaster customer support for assistance.

SPECIFICATIONS

Feature	Detail
Model Number	8M419
UPC	736101771197
Material	Faux Leather, Wood
Product Dimensions (Upright)	40" high x 32.5" wide x 35.5" deep
