Nerf N-Strike Elite Alpha Trooper CS-6 Mission Kit Instruction Manual

Model: CS-6

1. INTRODUCTION

Welcome to the world of Nerf N-Strike Elite! The Alpha Trooper CS-6 Mission Kit is a pump-action blaster designed for rapid-fire dart blasting. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting of your new blaster.

2. SAFETY INFORMATION

Please read and understand all safety warnings before using the blaster. Failure to follow these instructions may result in injury.

- **WARNING:** Do not aim at eyes or face.
- To avoid injury: Use only darts designed for this product. Do not modify darts or blaster.
- Adult supervision is recommended for younger users.
- Keep fingers clear of all moving parts during operation.

3. PACKAGE CONTENTS

Verify that all components are present in your Nerf N-Strike Elite Alpha Trooper CS-6 Mission Kit:

- 1 x Alpha Trooper CS-6 Blaster
- 1 x Detachable Stock
- 2 x 6-Dart Magazines
- 12 x Elite Darts

4. SETUP

4.1 Attaching the Stock

Align the detachable stock with the stock attachment point at the rear of the blaster. Push firmly until it clicks securely into place.

Image 4.2: Another view of the Alpha Trooper CS-6 blaster with the stock.

4.2 Loading the Magazine

Insert Elite darts into the magazine one by one, ensuring they are fully seated. Each 6-dart magazine holds up to six darts.

4.3 Inserting the Magazine

With the blaster unprimed, insert the loaded magazine into the magazine well located on the underside of the blaster until it clicks into place.

5. OPERATING THE BLASTER

5.1 Priming and Firing

1. Ensure a loaded magazine is inserted.
2. Grasp the pump handle located under the barrel.
3. Pull the pump handle all the way back until it locks into place, then push it all the way forward. This action primes the blaster and loads a dart into the firing chamber.
4. Aim the blaster at a safe target.
5. Pull the trigger to fire the dart.

5.2 Slam-Fire Feature

The Alpha Trooper CS-6 features slam-fire for rapid dart blasting. To use slam-fire:

1. Hold down the trigger.
2. Rapidly pump the handle back and forth. Darts will fire continuously as long as the trigger is held and the blaster is pumped.

6. MAINTENANCE

6.1 Dart Care

To ensure optimal performance, keep darts clean and free from damage. Do not use bent, torn, or otherwise compromised darts, as this can lead to jams.

6.2 Cleaning

Wipe the blaster clean with a damp cloth. Do not submerge the blaster in water or use harsh chemicals.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Blaster not firing or dart not launching far.	Blaster not fully primed. Damaged or worn darts. Magazine not fully inserted. Dart jam. Internal mechanism issue (e.g., spring, O-ring).	Ensure pump handle is pulled all the way back and pushed all the way forward. Use only new, undamaged Elite darts. Push magazine firmly until it clicks. Refer to "Clearing Jams" section below. If issues persist, contact customer support.
Darts jamming frequently.	Damaged or incorrect darts. Magazine not properly loaded or inserted. Pump handle not operated smoothly.	Use only genuine, undamaged Elite darts. Ensure darts are fully seated in the magazine and the magazine is clicked into place. Operate the pump handle with a full, smooth motion.

7.1 Clearing Jams

If a dart jams:

1. Remove the magazine from the blaster.
2. Pull the pump handle back to its rearmost position.

- 3. Carefully inspect the dart chamber and barrel for any lodged darts.
- 4. Gently remove any jammed darts. Do not force them.
- 5. Reinsert the magazine and attempt to prime and fire again.

8. SPECIFICATIONS

- **Model:** CS-6
- **Brand:** Nerf
- **Manufacturer:** Hasbro
- **Recommended Age:** 8 years and up
- **Product Dimensions:** 2.36 x 11.81 x 27.95 inches (L x W x H)
