

Sperry STS21522

Sperry Men's Bahama 2-Eye Boat Shoe Instruction Manual

Model: STS21522

1. INTRODUCTION

Thank you for choosing the Sperry Men's Bahama 2-Eye Boat Shoe. This manual provides essential information for the proper use, care, and maintenance of your new footwear. Designed for comfort and durability, these boat shoes feature a classic design with modern functionality.

2. PRODUCT FEATURES

The Sperry Bahama 2-Eye Boat Shoe is equipped with several key features:

- **Varsity-colored canvas uppers:** Provides a lightweight and breathable design.
- **Hand-Sewn Moccasin construction:** Ensures durability and a classic aesthetic.
- **360 lacing system:** Offers a secure fit by allowing adjustment around the entire foot.
- **Removable insole:** Designed for enhanced comfort and easy cleaning or replacement.
- **Non-marking outsole with no-slip traction:** Provides superior grip on wet and dry surfaces without leaving marks.

3. WEARING INSTRUCTIONS

To ensure optimal comfort and fit, follow these guidelines:

1. **Initial Fit:** Boat shoes, especially canvas models, may feel slightly snug initially. The canvas material is designed to conform to your foot over a few wears.
2. **Lacing:** Utilize the 360 lacing system to achieve a customized fit. Pull the laces evenly around the shoe to tighten or loosen as needed. Secure with a knot at the front.
3. **Insole:** The removable insole provides cushioning. Ensure it is properly seated within the shoe before wearing.
4. **Sock Preference:** These shoes can be worn with or without socks, or with specialized boat shoe socks for added comfort and moisture wicking.

4. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your Sperry boat shoes:

- **Cleaning Canvas Uppers:**
 - Remove insoles and laces.
 - Mix mild soap (e.g., dish soap) with cool water.
 - Using a soft brush or cloth, gently scrub the canvas in circular motions.
 - Rinse thoroughly with cool water to remove all soap residue.
- **Drying:**
 - Do not machine wash or tumble dry.
 - Stuff shoes with small towels or paper to help maintain their shape and absorb moisture.
 - Air dry in a cool, shaded area away from direct heat or sunlight. Allow ample time for complete drying.
- **Outsole:** Wipe the non-marking outsole with a damp cloth to remove dirt and maintain traction.
- **Storage:** Store shoes in a cool, dry place when not in use.

5. TROUBLESHOOTING

Here are solutions to common concerns:

- **Shoes feel too tight or narrow:** Canvas shoes often stretch slightly with wear. If discomfort persists, ensure the lacing system is not overtightened. Consider trying a wider size if available for future purchases.
- **Laces come untied frequently:** Ensure laces are tied securely. For leather laces, a double knot can provide extra security. Over time, leather laces may soften and hold knots better.
- **Lack of arch support:** The removable insole can be replaced with an aftermarket orthotic or arch support insert if additional support is desired.

6. PRODUCT SPECIFICATIONS

Detailed specifications for the Sperry Men's Bahama 2-Eye Boat Shoe:

Specification	Detail
Item Weight	12 ounces
Item Model Number	STS21522
Department	mens
Date First Available	August 17, 2019
Manufacturer	Sperry
ASIN	B07KQ4G6N8
Origin	Imported
Sole Material	Synthetic
Shaft Height	Not applicable
Closure Type	Lace-Up

7. WARRANTY AND SUPPORT
