SONGMICS OBG28B

SONGMICS OBG28B Racing Office Chair Instruction Manual

Model: OBG28B

1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Limit:** Do not use the chair with a weight exceeding 120 kg (265 lbs). Exceeding this limit may cause damage to the chair and potential injury.
- **Assembly:** Assemble the chair strictly according to the provided instructions to ensure its stability and safety. Incorrect assembly can lead to instability and damage.
- **Stability:** Ensure all screws are tightened securely before use. Periodically check and re-tighten all fasteners to maintain stability.
- **Usage:** Use the chair on a flat, stable surface. Avoid standing on the chair or using it as a step stool.
- **Children:** Keep children away from assembly parts. This product contains small parts that could be a choking hazard.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Backrest
- Seat Cushion
- Armrests (2)
- Base (5-star)
- Casters (5)
- Gas Lift Cylinder
- Mechanism Plate
- Screw Kit (various screws, washers, Allen key)
- Instruction Manual

3. ASSEMBLY INSTRUCTIONS

Assembly typically takes 10-15 minutes. Follow these steps carefully:

1. **Attach Casters to Base:** Insert the five casters into the holes at the end of each leg of the 5-star base. Push firmly until they click into place.
2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the assembled base. Ensure it sits firmly.
3. **Attach Mechanism Plate to Seat:** Align the mechanism plate with the screw holes on the underside of the seat cushion. Secure it with the appropriate screws, ensuring the front of the mechanism faces the front of the seat.
4. **Attach Armrests:** Secure the armrests to the sides of the seat cushion using the provided screws. Ensure they are oriented correctly.
5. **Attach Backrest:** Connect the backrest to the seat cushion and armrests using the remaining screws. Tighten all screws evenly.
6. **Connect Seat to Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder. Apply gentle downward pressure to secure it.

Step 1: Inserting casters into the chair base.

Step 2: Placing the gas lift cylinder into the base.

Step 3: Attaching the mechanism plate to the seat underside.

Step 4: Securing the armrests to the seat.

Step 5: Attaching the backrest to the seat and armrests.

Step 6: Placing the assembled seat onto the gas lift.

4. OPERATING INSTRUCTIONS

The SONGMICS OBG28B chair offers several adjustable features for optimal comfort:

- **Seat Height Adjustment:** To raise the seat, lift the lever located under the right side of the seat while standing. To lower the seat, lift the lever while seated. The seat height can be adjusted from 46 cm to 56 cm.
- **Flip-Up Armrests:** The armrests can be flipped up to allow more space or to push the chair further under a desk. Simply lift the armrests upwards until they lock into the vertical position. To lower, pull them down.
- **Tilt Mechanism:** The chair features a tilt mechanism for reclining. Pull the lever (usually the same one for height adjustment, pushed inwards) outwards to unlock the tilt function. Lean back to recline. Push the lever inwards to lock the backrest in an upright position.
- **Tilt Tension Adjustment:** The knob located under the front of the seat allows you to adjust the tension of the tilt mechanism. Turn clockwise to increase tension (making it harder to recline) or counter-clockwise to decrease tension (making it easier to recline).

The armrests can be flipped up for convenience and space-saving.

The chair offers a tilt function with adjustable tension for comfortable reclining.

5. MAINTENANCE

Proper maintenance ensures the longevity and performance of your chair:

- **Cleaning:** For general cleaning, wipe the chair surfaces with a soft, damp cloth. For specific fabric care, dry cleaning is recommended. Avoid harsh chemicals or abrasive cleaners.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to prevent wobbling or instability.
- **Casters:** Keep the casters clean and free of debris (hair, dust, etc.) to ensure smooth movement.
- **Moving the Chair:** When moving the chair, lift it rather than dragging it to prevent damage to the casters or base.

6. TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair is wobbly or unstable	Loose screws or incorrect assembly.	Check all assembly screws and tighten them securely. Ensure all parts are correctly aligned as per assembly instructions.
Seat does not adjust height	Gas lift cylinder malfunction or lever not engaged.	Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement. Contact customer support.
Chair does not tilt or tilt is too stiff/loose	Tilt lock engaged or tension not adjusted.	Disengage the tilt lock lever. Adjust the tilt tension knob under the seat to your desired resistance.
Casters do not roll smoothly	Debris caught in casters.	Turn the chair over and remove any hair, dust, or debris from the caster wheels.

7. SPECIFICATIONS

Feature	Detail
Model Number	OBG28B
Brand	SONGMICS
Color	Black
Material	Alloy Steel (frame), Plastic (components)
Product Dimensions (D x W x H)	34 cm x 66 cm x 85 cm (approximate)
