Life Extension 02004

Life Extension Arterial Protect

Model: 02004

PRODUCT OVERVIEW

Life Extension Arterial Protect is a dietary supplement formulated to support arterial health and maintain healthy blood flow. This supplement contains a blend of Gotu Kola extract and Pycnogenol dried French maritime pine bark extract, which work synergistically to promote cardiovascular well-being.

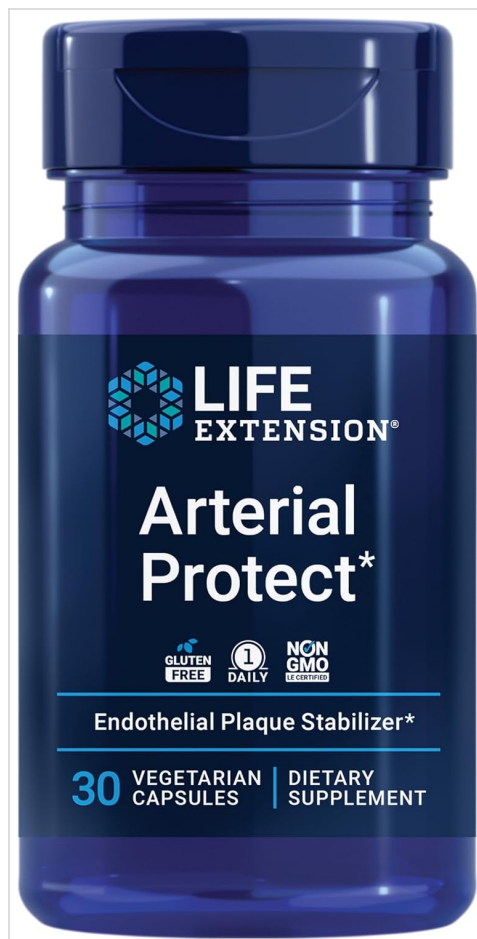

Image: Front view of the Life Extension Arterial Protect bottle, showing the brand name, product name, and key features like 'Gluten Free', '1 Daily', 'Non GMO', and '30 Vegetarian Capsules'.

The formulation is designed to help stabilize arterial plaque, encourage a healthy inflammatory response, and protect cells against oxidative stress caused by free radicals. It is a convenient, once-daily supplement intended to complement a heart-healthy lifestyle.

KEY BENEFITS

- **Healthy Blood Flow:** Supports the health of the delicate inner lining of your arteries (the endothelium) to promote plaque stability and maintain healthy blood flow.
- **Arterial Health:** Gotu kola and Pycnogenol extract help maintain the health and function of your arteries.
- **Oxidative Stress Protection:** Helps protect against oxidative stress and inhibits inflammatory factors to promote circulatory and vascular health.
- **Convenient Dosage:** Formulated for once-daily consumption, making it easy to integrate into your routine.

Stabilize arterial plaque

Promotes circulatory health

Healthy inflammatory
response

Fight oxidative stress
