## 1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your Yaheetech Bird Aviary. Designed for parrots and similar large birds, this aviary offers a spacious and secure environment. Please read these instructions carefully before assembly and use to ensure the safety and well-being of your birds.

Figure 1: The Yaheetech Bird Aviary, providing a spacious habitat for birds.

The aviary features a classic design with an outdoor play top, dirt-collecting trays, and essential accessories. Its robust construction and thoughtful design aim to provide an optimal home for your feathered companions.

## 2. SETUP AND ASSEMBLY

---

The Yaheetech Bird Aviary is designed for straightforward assembly. All necessary tools and parts are included in the package. Follow the steps below for proper setup.

### 2.1 Package Contents

Before beginning assembly, verify that all components are present:

- 1 x Bird Aviary Frame (various panels)
- 1 x Ladder
- 2 x Drawers
- 2 x Seat Bars (perches)
- 5 x Metal Bowls

- 4 x Bottom Wheels
- Screws and Fasteners
- 1 x User Manual (this document)

## 2.2 Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Assemble Base Frame:** Connect the bottom frame sections using the provided screws. Ensure all connections are secure.
3. **Attach Wheels:** Securely fasten the four bottom wheels to the assembled base frame.
4. **Install Main Cage Panels:** Attach the side, front, and back panels of the main cage body to the base frame.
5. **Insert Grille and Trays:** Slide the bottom grille and the two removable drawers into their designated slots at the base of the main cage.
6. **Assemble Play Top:** Construct the outdoor play top frame, including the perch and ladder.
7. **Attach Play Top to Cage:** Secure the assembled play top to the top of the main cage structure.
8. **Install Perches and Bowls:** Place the internal seat bars (perches) and metal food/water bowls inside the cage and on the play top.
9. **Final Check:** Verify that all screws are tightened and all components are securely in place before introducing any birds.

### 3. OPERATING INSTRUCTIONS

This section details the features and proper use of your Yaheetech Bird Aviary to ensure a safe and comfortable environment for your birds.

#### 3.1 Bird Placement and Safety

The aviary is suitable for multiple finches, canaries, budgies, and larger birds such as nymphs. The 15 mm (0.6 inch) bar spacing is designed to prevent birds from being squeezed or escaping, ensuring their safety.

Figure 3: Birds comfortably housed within the aviary, showcasing the spacious interior.

### 3.2 Access and Security

The large rectangular main door (30 x 55 cm) provides easy access for cleaning, feeding, and interacting with your birds. The door features a secure lock mechanism that can be operated from the outside, preventing birds from opening it. Additional smaller doors are provided for easy access to food and water bowls.

Figure 4: Detail of the secure latch mechanism, designed for bird safety.

### 3.3 Play Top Area

The aviary includes an integrated play top with a perch, ladder, and two metal bowls. This area offers extra freedom of movement and an engaging space for your birds outside the main cage compartment.

Figure 5: The play top area, offering an additional space for birds to perch and feed.

### 3.4 Food and Water Bowls

Five metal bowls are provided for food and water. These bowls are designed to be easily accessible for refilling and cleaning, both inside the main cage and on the play top.

Figure 6: Removable metal bowls for food and water, designed for easy access.

## 4. MAINTENANCE AND CLEANING

---

Regular cleaning is crucial for maintaining a hygienic environment for your birds. The Yaheetech Bird Aviary is designed for easy and efficient cleaning.

### 4.1 Daily Cleaning

- **Food and Water Bowls:** Remove and clean all metal bowls daily. Refill with fresh food and water.
- **Dropping Trays:** Pull out the two removable drawers (dropping trays) from the bottom of the cage and under the play top. Dispose of waste and clean the trays thoroughly with bird-safe disinfectant or soap and water. Ensure they are completely dry before reinserting.

Figure 7: The pull-out tray system facilitates quick and easy cleaning of bird droppings.

## 4.2 Weekly Cleaning

- **Cage Interior:** Wipe down all interior surfaces, perches, and bars with a bird-safe cleaner.
- **Bottom Grille:** Remove and clean the bottom grille to prevent accumulation of waste.
- **Exterior:** Wipe the exterior of the cage to remove dust and debris.

## 4.3 General Tips

- The dirt-trapping design helps contain mess, but regular cleaning is still essential.
- The robust steel wire frame with a powder-coated surface is rust and aging resistant. This surface is harmless to animals.
- The four wheels allow for easy movement of the aviary for cleaning or repositioning.

## 5. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your Yaheetech Bird Aviary.

## 5.1 Assembly Issues

- **Parts Missing/Damaged:** If any parts are missing or damaged upon arrival, contact Yaheetech customer support immediately.
- **Difficulty Aligning Panels:** Ensure all panels are oriented correctly according to the assembly instructions. Do not fully tighten screws until all major components are loosely fitted.
- **Wobbly Cage:** Double-check that all screws are securely tightened. Ensure the cage is placed on a level surface.

## 5.2 Operational Issues

- **Door Not Closing Securely:** Inspect the latch mechanism for any obstructions or misalignment. Ensure the door frame is not bent.
- **Drawers Sticking:** Clean the drawer tracks and ensure no debris is preventing smooth operation. Apply a small amount of food-grade lubricant if necessary.
- **Wheels Not Rolling Smoothly:** Check for debris in the wheel mechanisms. Ensure the wheels are properly attached and not overtightened.

## 6. SPECIFICATIONS

Detailed technical specifications for the Yaheetech Bird Aviary.

Feature	Detail
