KAWADA NBH115

KAWADA nanoblock Kaminarimon Building Kit NBH115 Instruction Manual

Model: NBH115 | Brand: KAWADA

Introduction

This instruction manual provides guidance for assembling and maintaining your KAWADA nanoblock Kaminarimon (Thunder Gate) building kit. The Kaminarimon model, part of the nanoblock Sights to See series, is a detailed replica designed for display. It consists of approximately 390 micro-sized pieces, allowing for intricate construction.

Safety Information

WARNING: Product contains small parts considered to be a choking hazard. Not suitable for children under 3 years. Adult supervision is recommended for younger builders.
The recommended age for this model is 15 years and up due to the small size of the blocks and the complexity of the build.

Setup and Assembly

The nanoblock Kaminarimon kit is rated at a difficulty Level 3 on a scale of 1 to 5, where 1 is the easiest and 5 is the most advanced. This indicates a moderate challenge suitable for experienced builders or patient beginners.

1. **Unpack Components:** Carefully open the product box and remove all nanoblock pieces and the instruction booklet. Ensure no small pieces are lost during unpacking.
2. **Review Instructions:** Before beginning assembly, thoroughly read through the entire instruction booklet. Familiarize yourself with the step-by-step diagrams and block identification.
3. **Organize Pieces:** Due to the micro size of nanoblocks (as small as 4mm x 4mm x 5mm), it is highly recommended to sort the pieces by color and shape. Using small containers or a sorting tray can prevent loss and speed up the building process.
4. **Follow Step-by-Step Diagrams:** Assemble the model by following the detailed, illustrated instructions provided. Each step will show which blocks to add and where to place them. Pay close attention to the orientation of the blocks.
5. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure. The high tolerance manufacturing ensures a perfect fit.

Operating and Display

Once assembled, the nanoblock Kaminarimon model is intended for display. It stands approximately 2.63 inches (6.68 cm) tall.

- **Placement:** Choose a stable, flat surface for display, away from direct sunlight, excessive heat, or high humidity to preserve the integrity of the plastic blocks.
- **Handling:** Handle the assembled model with care. While nanoblocks create a sturdy connection, excessive force or dropping can cause pieces to detach.

Maintenance

- **Cleaning:** To remove dust, gently wipe the model with a soft, dry cloth or use a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust and damage. Store in a cool, dry place.

Troubleshooting

- **Missing Pieces:** In the rare event of missing pieces, first double-check all packaging and sorting areas. If pieces are still missing, contact the manufacturer's customer support (see Support section).
- **Difficulty Assembling:** If you encounter difficulty, re-examine the instruction diagrams carefully. Sometimes a block's orientation or a previous step might be incorrect. Take breaks if needed, as precision building can be tiring.
- **Loose Connections:** Ensure blocks are pressed firmly together. If a connection feels consistently loose, verify that the correct block type is being used as per the instructions.

Specifications

Feature	Detail
Product Name	nanoblock - World Famous Buildings - Kaminarimon
Model Number	NBH115
Brand	KAWADA
Number of Pieces	Approximately 390
Assembled Dimensions	Approximately 3.14 x 3.14 x 2.63 inches (8 x 8 x 6.68 cm)
Item Weight	3.2 ounces (90.7 grams)

Feature	Detail
Difficulty Level	3 out of 5
Recommended Age	15 years and up
Material	Plastic

Warranty Information

Warranty coverage for KAWADA nanoblock products is typically provided by the manufacturer or the authorized retailer at the point of purchase. Please refer to the documentation included with your product or contact your retailer for specific warranty terms and conditions. For products purchased in the U.S. Markets, ensure the product box has a Bandai Namco warning label. This label indicates an officially licensed KAWADA product distributed by its sole and authorized distributor (Bandai Namco) for the U.S. Markets, and entitles the purchaser to product support assistance within the United States.

Support

For further assistance, including inquiries about missing parts or assembly challenges, please contact:

- **Manufacturer:** KAWADA Co., Ltd. (Refer to their official website for contact details.)
- **Authorized Distributor (U.S. Markets):** Bandai Namco (Check their official website for customer service contact information.)
- **Retailer:** The store or online platform where you purchased the product.

When contacting support, please have your product model number (NBH115) and purchase information readily available.
