

Intex 28620NP

INTEX Rechargeable Battery Pool Cleaner User Manual

Model: 28620NP

1. PRODUCT OVERVIEW

The INTEX Rechargeable Battery Pool Cleaner is designed for efficient cleaning of swimming pools. It operates on a 3.5V 17W power system and can clean approximately 80 square meters per hour. This cleaner is easy to use and comes with essential accessories for comprehensive pool maintenance.

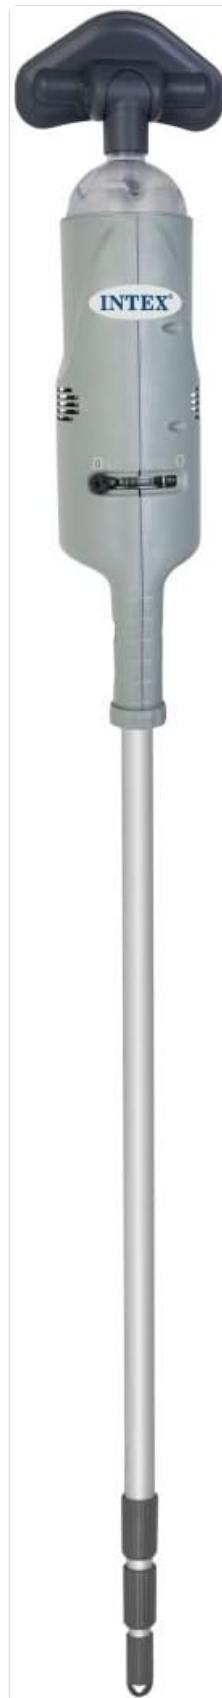

Image 1.1: The INTEX Rechargeable Battery Pool Cleaner, showing its full length and design.

Image 1.2: A user demonstrating the comfortable grip and compact head of the cleaner.

Key Features:

- Easy to use design.
- Powerful 17W - 3.5V operation.
- Designed for effective pool maintenance.

2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before using this product to prevent injury or damage. Keep this manual for future reference.

- Do not operate the cleaner out of water for extended periods.
- Ensure the charging port is dry before connecting the USB cable.

- Keep out of reach of children.
- Do not attempt to modify or repair the device yourself. Contact authorized service personnel.
- Use only the provided USB cable for charging.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- INTEX Rechargeable Battery Pool Cleaner Unit
- USB Charging Cable
- 2 Interchangeable Brush Heads
- Telescopic Handle (2.39m)
- Instruction Manual (this document)

Image 3.1: Example of included cleaning tools and accessories.

4. SETUP

1. **Charge the Batteries:** Connect the supplied USB cable to the cleaner and a suitable USB power source. Charge the batteries for approximately 50 minutes. Ensure the charging port is dry before connecting.
2. **Assemble the Product:** Follow the assembly instructions provided on the product packaging or in the quick start guide. This typically involves attaching the telescopic handle and the desired brush head to the main cleaner unit.

Image 4.1: Illustrates the process of attaching a component to the cleaner unit.

5. OPERATING INSTRUCTIONS

Follow these steps for effective pool cleaning:

- 1. Insert into Water:** Carefully insert the assembled manual vacuum into the pool water, ensuring the cleaner head is fully submerged.
- 2. Turn On:** Locate the power switch on the cleaner unit and turn it on. The cleaner will begin to operate.
- 3. Clean the Pool:** Move the manual vacuum across the bottom and sides of the pool to effectively remove dirt, debris, and sediment. Guide the cleaner slowly for best results.
- 4. Turn Off and Remove:** Once cleaning is complete, turn off the manual vacuum and carefully remove it from the water.

Image 5.1: A user demonstrating the cleaner in action, effectively cleaning the pool floor.

6. MAINTENANCE

Proper maintenance ensures the longevity and performance of your cleaner:

- 1. Clean the Cleaner:** After each use, thoroughly clean the cleaner unit, especially the brush heads and debris

collection area. Rinse with fresh water.

2. **Dry Thoroughly:** Ensure the cleaner is completely dry before storing it. This prevents mold, mildew, and corrosion.
3. **Storage:** Store the cleaner in a cool, dry place, away from direct sunlight and extreme temperatures.

Image 6.1: Close-up of the cleaner's filter or debris compartment, highlighting the area to be cleaned.

7. TROUBLESHOOTING

If you encounter issues with your INTEX Rechargeable Battery Pool Cleaner, consider the following common solutions:

- **Cleaner not turning on:** Ensure the battery is fully charged. Check the power switch for proper engagement.
- **Reduced suction:** Check the debris collection area for clogs and clean the filter. Ensure the brush heads are not worn out.
- **Short operating time:** The battery may not be fully charged, or its capacity might be diminishing over time. Ensure proper charging cycles.
- **Unusual noises:** Turn off the cleaner immediately and inspect for any foreign objects lodged in the brush or suction area.

If the problem persists after attempting these solutions, please contact customer support.

8. SPECIFICATIONS

| Feature | Specification |
|--------------|---------------|
| Model Year | 2020 |
| Voltage | 12 Volts |
| Maximum Load | 1 kilogram |
| Efficiency | High |
