

ARISTO IB45

Aristo Insulated Chiller Ice Box

User Manual

PRODUCT OVERVIEW

The Aristo Insulated Chiller Ice Box is designed for efficient cooling and storage of various items such as ice, beverages, and medicines. Its robust construction and insulated design ensure contents remain chilled for extended periods, making it ideal for travel, parties, and outdoor activities. This manual provides essential information for the proper setup, operation, and maintenance of your ice box.

SETUP AND INITIAL USE

- Unpacking:** Carefully remove the ice box from its packaging. Inspect for any signs of damage during transit.
- Initial Cleaning:** Before first use, clean the interior and exterior of the ice box with mild soap and water. Rinse thoroughly and dry completely. Ensure no soap residue remains.
- Placement:** Place the ice box on a flat, stable surface. For optimal cooling, avoid direct sunlight or heat sources.

OPERATING INSTRUCTIONS

- Opening the Lid:** Unlatch the front clasp and lift the lid upwards. The lid is designed to stay open for easy access.
- Loading Contents:** Place ice, pre-chilled beverages, or other items inside the ice box. For best results, fill the ice box as much as possible to minimize air space, which helps maintain temperature.
- Using the Tap (if applicable):** If your model includes a tap, ensure it is securely closed before filling. To dispense liquids, open the tap. Close it firmly after use to prevent leaks.
- Closing the Lid:** Lower the lid and press down firmly until the front clasp engages, securing the lid in place. This creates an airtight seal for maximum insulation.

MAINTENANCE AND CARE

- **Cleaning:** After each use, especially when storing food or beverages, clean the interior with a mild detergent and warm water. Use a soft cloth or sponge. For stubborn stains, a baking soda paste can be used.
- **Rinsing and Drying:** Rinse thoroughly with clean water. Allow the ice box to air dry completely with the lid open to prevent mold and odors.
- **Exterior Care:** Wipe the exterior with a damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the plastic.
- **Storage:** Store the ice box in a cool, dry place away from direct sunlight. It is recommended to store it with the lid slightly ajar to allow for air circulation and prevent odors.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Contents not staying cold	Lid not sealed properly; insufficient ice; frequent opening; pre-warmed contents.	Ensure lid is latched securely. Use more ice or pre-chill contents. Minimize lid openings.
Leakage	Tap not closed (if applicable); damaged seal; cracks in body.	Check and tighten tap. Inspect lid seal for damage. If body is cracked, repair or replace.
Unpleasant odor	Improper cleaning; stored with lid closed while damp.	Clean thoroughly with baking soda solution. Air dry completely with lid open before storage.

SPECIFICATIONS

Feature	Detail
Brand	ARISTO
Model Number	IB45
Capacity	25 Liters
Material	Plastic
Insulation Material	Polyurethane Foam
Color	Multicolor (Color May Vary)
Product Dimensions (L x W x H)	40.64 x 33.02 x 30.48 cm
Item Weight	2.3 kg
Cooling Performance	Up to 12 hours (Insulated)
