cellularline HANDYWINGK

Cellularline Hug Universal Car Smartphone Holder

Model: HANDYWINGK

INTRODUCTION

The Cellularline Hug is a universal car smartphone holder designed for secure mounting on vehicle air vents. It features a robust design that grips your smartphone on three sides, ensuring stability during driving. The holder is lined with soft, anti-scratch rubber and includes support brackets for enhanced security. Its adjustable opening accommodates a wide range of smartphone sizes, and the 360° rotation allows for optimal screen positioning.

PACKAGE CONTENTS

- 1 x Cellularline Hug Universal Car Smartphone Holder (Handy Wing)

SETUP AND INSTALLATION

Follow these steps to properly install your Cellularline Hug smartphone holder:

1. **Check Air Vent Compatibility:** Ensure your vehicle's air vents are compatible with the holder's clip mechanism. The holder is designed for horizontal or vertical slat air vents. It is generally not compatible with circular or unusually shaped vents.

AIR VENTS COMPATIBILITY

This image illustrates the types of air vents compatible with the Cellularline Hug holder. Compatible vents typically have horizontal or vertical slats, while circular or complex designs may not provide a secure fit.

2. **Attach to Air Vent:** Locate a suitable air vent in your vehicle. Gently push the universal hook on the back of the holder onto one of the air vent slats until it is securely fastened.

Rear bracket for greater stability

A rear view of the holder, highlighting the air vent attachment mechanism and the additional rear bracket designed to enhance stability once installed.

3. **Adjust for Stability:** The holder features a rear bracket for greater stability. Ensure this bracket rests against the dashboard or another part of the vent assembly to minimize movement.

OPERATING INSTRUCTIONS

Using your Cellularline Hug holder is straightforward:

1. **Insert Smartphone:** Gently pull apart the adjustable arms of the holder. Place your smartphone into the holder, ensuring it is securely gripped on three sides by the anti-scratch rubber padding. The holder adjusts to devices with a width between 55mm and 95mm.

This image demonstrates the adjustable width of the holder, accommodating smartphones ranging from 55mm to 95mm in width, ensuring broad compatibility.

2. **Adjust Viewing Angle:** The holder features a 360° rotatable joint. Adjust the holder to achieve your preferred viewing angle for navigation or hands-free calls.

3. **Secure Grip:** The three-point support system ensures your phone remains stable and firm even on rugged roads, during sharp turns, or over speed bumps.

This image emphasizes the stable three-point support design of the holder, which keeps the smartphone secure against vibrations and movements encountered during driving.

4. **Charging Access:** The holder features a cable-friendly design, allowing you to connect a charging cable to your smartphone while it is mounted.

MAINTENANCE

To ensure the longevity and optimal performance of your smartphone holder:

- Clean the holder regularly with a soft, damp cloth. Avoid abrasive cleaners or solvents.
- Ensure the air vent clip is free from dust or debris to maintain a secure grip.
- Periodically check all moving parts for smooth operation and ensure they are not obstructed.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Holder is not stable on the air vent.	Incorrect installation or incompatible air vent type.	Ensure the universal hook is fully engaged with an air vent slat. Verify your air vent type is compatible (horizontal/vertical slats). Adjust the rear bracket for additional support.
Smartphone does not fit or is loose.	Smartphone dimensions are outside the adjustable range.	Check if your smartphone's width is between 55mm and 95mm. Ensure the adjustable arms are fully closed around the device.
Difficulty rotating the holder.	Joint is stiff or obstructed.	Apply gentle force. Ensure no debris is lodged in the rotating joint.

SPECIFICATIONS

- **Brand:** cellularline
- **Model Name:** HANDYWINGK
- **Color:** Black
- **Compatible Devices:** Smartphones
- **Compatible Phone Models:** Universal (55mm - 95mm width)
- **Mounting Type:** Air Vent
- **Product Features:** 360° Swivel, Adjustable, Reclining Top Part
