WALI MF002

WALI MF002 Dual Monitor Stand Instruction Manual

MODEL: MF002

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your WALI MF002 Dual Monitor Stand. Please read carefully before installation and use to ensure proper functionality and safety.

The WALI MF002 Dual Monitor Stand is designed for enhanced productivity and comfort. It supports most flat screens, TVs, and monitors up to 27 inches, with a weight capacity of up to 22 lbs per arm. The stand features a free-standing V-base for stability on any desk and offers full adjustability including height, tilt, swivel, and 360° rotation for optimal viewing angles. Its sturdy metal construction ensures reliable support and a sleek aesthetic for various environments, from home offices to professional workspaces.

What's in the Box

- 1 x WALI Free Standing Dual Monitor Mount (Black)
- 1 x Mounting Hardware Kit
- 1 x User Manual

Compatibility

This monitor stand is compatible with most flat screens, TVs, and monitors up to 27 inches. Each arm supports a maximum weight of 22 lbs. It is designed for monitors with VESA mounting patterns of 75x75mm or 100x100mm. The plates are detachable and height adjustable, and the free-standing V-base ensures stable placement on any desk surface.

Product Dimension

Figure 2: Product Dimensions. The stand has a 16-inch pole height and arms extending up to 30 inches wide.

Clean Cable Management

Figure 3: Clean Cable Management. Utilize the integrated cable clips to route and organize monitor cables along the arms and pole.

MONITORS MUST BE IN GREEN ZONE TO PREVENT STAND FROM TIPPING

Figure 4: Monitor Placement Zone. Ensure monitors are positioned within the designated 'green zone' to prevent the stand from tipping.

Operating Instructions

The WALI MF002 Dual Monitor Stand offers dynamic adjustments to customize your viewing experience and promote ergonomic posture.

- **Height Adjustment:** Monitors can be adjusted along the 16-inch height pole to achieve your preferred eye level.
- **Tilt Adjustment:** Adjust the monitor angle +/-90° to reduce glare and optimize viewing.
- **Swivel Adjustment:** Swivel monitors +/-90° to share your screen or change viewing direction.
- **Rotation:** Rotate monitors 360° to switch between landscape and portrait modes as needed.
- **Arm Extension/Retraction:** The arms extend and retract, allowing you to position your monitors closer or further away from you.

Angle Adjustment

Figure 5: Angle Adjustment. Demonstrates the $+/-90^\circ$ tilt and swivel, and 360° rotation capabilities of the monitor arms.

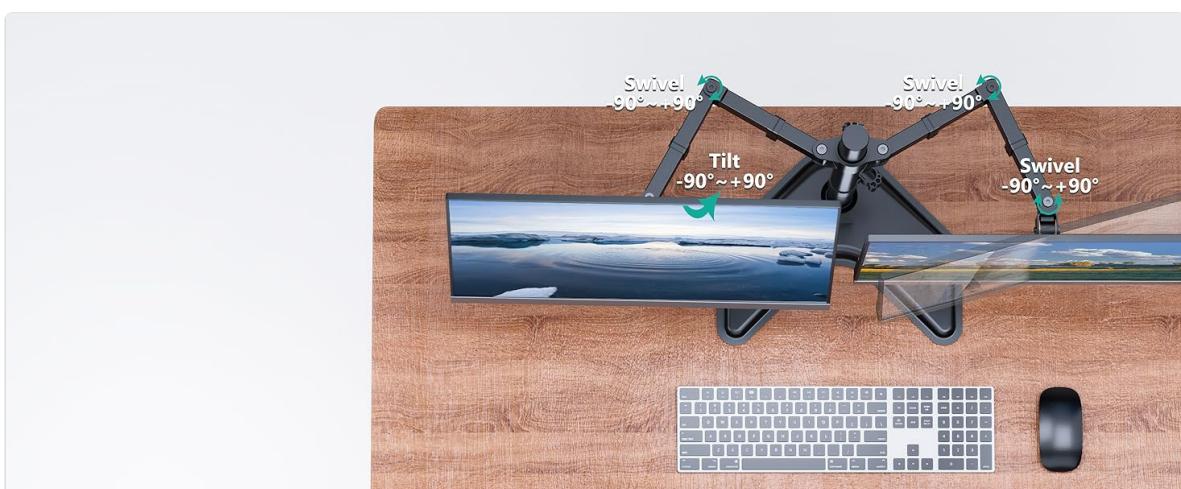

Figure 6: Ergonomic Positioning. Adjusting your monitors to an ergonomically correct position can help reduce neck and eye strain.

Figure 7: Arm Extension Guidance. Avoid extending the monitor arms too far forward to maintain stability and prevent tipping.

Maintenance

To ensure the longevity and optimal performance of your WALI MF002 Dual Monitor Stand, regular maintenance is recommended:

- **Cleaning:** Wipe the stand with a soft, damp cloth. Avoid using abrasive cleaners or solvents that may damage the finish.
- **Tightness Check:** Periodically check all screws and bolts to ensure they are securely tightened. Loose connections can affect stability and monitor positioning.
- **Cable Management:** Ensure cables are neatly routed through the clips to prevent strain or damage.

Troubleshooting

If you encounter any issues with your WALI MF002 Dual Monitor Stand, please refer to the following common solutions:

- **Monitors Sagging/Tilting:** If monitors do not stay in position or tilt too far forward, ensure the tilt adjustment bolts on the VESA plates are sufficiently tightened.
- **Difficulty Adjusting Height:** Loosen the bolt at the rear of the monitor arm assembly on the vertical pole, adjust to the desired height, then re-tighten securely.
- **Stand Instability:** Verify that the V-base is placed on a flat, stable surface and that the monitors are positioned within the recommended green zone to prevent tipping.
- **Missing Parts:** If any parts are missing from the package, please contact customer support immediately.

Specifications
