Mazda CX-5

2016 Mazda CX-5 Owner's Manual

Comprehensive guide for the operation and maintenance of your 2016 Mazda CX-5 vehicle.

Introduction

This owner's manual provides detailed information regarding the operation, features, maintenance, and safety of your 2016 Mazda CX-5. To ensure safe and proper use of your vehicle, please read this manual thoroughly and keep it in your vehicle for future reference. All information, specifications, and illustrations in this manual are based on the latest product information available at the time of publication.

Setup and Initial Familiarization

Before operating your Mazda CX-5, it is recommended to familiarize yourself with its basic controls and features. This section covers initial adjustments and checks.

Driver's Seat and Steering Wheel Adjustment

- **Seat Position:** Locate the lever or switch on the side of the seat to adjust forward/backward position, seatback angle, and height. Ensure a comfortable and safe driving posture.
- **Steering Wheel:** Adjust the steering wheel for tilt and telescopic position using the lever located under the steering column. Lock it securely after adjustment.

Mirror Adjustment

- **Side Mirrors:** Use the control switch on the driver's door panel to adjust the left and right exterior mirrors.
- **Rearview Mirror:** Manually adjust the interior rearview mirror for optimal visibility of the rear window.

Instrument Panel Overview

Familiarize yourself with the gauges, warning lights, and indicators on the instrument panel. Refer to the detailed diagrams in the full manual for specific locations and functions.

Operating Your Vehicle

This section covers the essential procedures for starting, driving, and stopping your Mazda CX-5, along with an overview of key operational features.

Starting the Engine

1. Ensure the transmission is in Park (P) or Neutral (N).
2. For models with a push-button start, press the brake pedal firmly and then press the ENGINE START/STOP button.
3. For models with a key ignition, insert the key and turn it to the START position.

Driving Controls

- **Transmission:** Understand the different gear positions (P, R, N, D, M) and their uses.
- **Braking System:** Learn about the anti-lock braking system (ABS) and electronic brakeforce distribution (EBD).
- **Lighting:** Operate headlights, high beams, turn signals, and hazard lights.
- **Wipers and Washers:** Control front and rear windshield wipers and washer fluid.

Infotainment System

Your Mazda CX-5 is equipped with an infotainment system. Refer to the dedicated section in the full manual for detailed instructions on radio, navigation, Bluetooth connectivity, and other multimedia features.

Maintenance and Care

Regular maintenance is crucial for the longevity and optimal performance of your Mazda CX-5. Follow the recommended service schedule.

Scheduled Maintenance

Consult your authorized Mazda dealer for the official maintenance schedule. Key items typically include:

- Oil and filter changes
- Tire rotation and inspection
- Brake system inspection
- Fluid level checks (coolant, brake fluid, power steering fluid, washer fluid)
- Air filter replacement

Tire Care

Maintain correct tire pressure as specified on the driver's side door jamb. Regularly inspect tires for wear and damage. Proper tire care improves fuel efficiency and safety.

Cleaning Your Vehicle

Use appropriate cleaning products for the exterior and interior. Avoid harsh chemicals that can damage paint or upholstery.

Troubleshooting Common Issues

This section provides guidance on addressing minor issues you might encounter with your vehicle. For more complex problems, consult an authorized Mazda service center.

Engine Will Not Start

- **Check Battery:** Ensure battery terminals are clean and tight. If the battery is dead, jump-start the vehicle (refer to the full manual for safe jump-starting procedures).
- **Fuel Level:** Verify there is sufficient fuel in the tank.
- **Immobilizer System:** Ensure you are using the correct key or smart key.

Warning Lights Illuminated

If a warning light illuminates on your instrument panel, refer to the warning light section in the full manual to understand its meaning and recommended action. Some common lights include:

- **Check Engine Light:** Indicates an issue with the engine or emissions system.
- **Oil Pressure Warning:** Stop the vehicle immediately and check oil level.
- **Brake System Warning:** Indicates a problem with the braking system.

Specifications
