

Keurig K15

Keurig K15 Single Serve Coffee Maker Instruction Manual

Brand: Keurig | Model: K15

INTRODUCTION

The Keurig K15 Single Serve Coffee Maker is a compact and personal brewing system designed for convenience and efficiency. It brews K-Cup pods in multiple sizes, delivering a rich, smooth, and delicious cup every time. This manual provides essential information for setting up, operating, and maintaining your Keurig K15 coffee maker.

PRODUCT FEATURES

- **Compact Design:** Small and personal, ideal for limited spaces and travel. Features cord storage for enhanced portability.
- **Multiple Brew Sizes:** Brews any cup size between 6 to 10 ounces. Use the 6-ounce setting for a bolder brew.
- **Single-Use Water Reservoir:** Add fresh water for each brew, ensuring optimal taste and portability.
- **Removable Drip Tray:** Accommodates travel mugs up to 5.2 inches tall and collects accidental spills for easy cleanup.
- **Energy Efficient:** Automatic shut-off feature turns the brewer off 90 seconds after the last brew to conserve energy.
- **K-Cup Pod Compatibility:** Brews all K-Cup pods, offering a wide variety of coffee, tea, and hot cocoa options.

WHAT'S IN THE BOX

- 1 Keurig K15 Coffee Maker

SETUP INSTRUCTIONS

1. **Unpack:** Remove the coffee maker from its packaging and place it on a stable, flat surface.
2. **Plug In:** Connect the power cord to a grounded outlet.
3. **Initial Rinse:** Perform an initial rinse cycle without a K-Cup pod to clean the internal components. Fill the water reservoir with fresh water, place a mug on the drip tray, and press the brew button. Discard the hot water.

OPERATING INSTRUCTIONS

1. **Power On:** Press the power button to turn on the brewer. The power indicator light will illuminate.
2. **Add Water:** Lift the water reservoir lid and pour fresh water into the reservoir. The water level indicators will help you choose your desired brew size (6, 8, or 10 ounces).
3. **Insert K-Cup Pod:** Lift the handle to open the K-Cup pod holder. Insert a K-Cup pod into the holder, ensuring it is seated properly. Close the handle firmly.
4. **Place Mug:** Place a mug on the drip tray. If using a travel mug, remove the drip tray first.
5. **Brew:** Press the "BREW" button. The button will illuminate, indicating that brewing has started.
6. **Enjoy:** Your beverage will be ready in under two minutes. The brewer will automatically shut off 90 seconds after brewing is complete.

MAINTENANCE

- **Cleaning the Drip Tray:** The drip tray and its cover should be removed and hand-washed regularly with warm, soapy water.
- **Cleaning the K-Cup Pod Holder:** The K-Cup pod holder can be removed for cleaning. Wash it with warm, soapy water and rinse thoroughly.
- **Descaling:** Regular descaling is recommended to remove mineral buildup. Refer to the full user manual for detailed descaling instructions.

TROUBLESHOOTING

For common issues and troubleshooting steps, please refer to page 22 of the official Keurig K15 User Manual PDF, which is typically available in the product description section or on the manufacturer's website.
