Arf Pets APCLPD0127

Arf Pets Dog Cooling Mat 27x43 Inch Instruction Manual

Model: APCLPD0127

INTRODUCTION

Thank you for choosing the Arf Pets Dog Cooling Mat. This self-cooling gel mat is designed to provide a comfortable and cool resting surface for your pet without the need for refrigeration or electricity. This manual provides essential information for the proper setup, operation, and maintenance of your cooling mat to ensure its longevity and your pet's comfort.

SAFETY INFORMATION

- The Arf Pets Dog Cooling Mat is made from 100% non-toxic materials, ensuring it is safe for all pets and household members.
- Do not allow pets to chew or ingest the mat material. If the mat is damaged and gel is exposed, discontinue use immediately and dispose of the mat safely.
- Avoid placing the mat in direct sunlight for extended periods, as this can reduce its cooling effectiveness and potentially damage the material.
- Do not machine wash or tumble dry. Refer to the "Maintenance and Cleaning" section for proper cleaning instructions.
- Keep away from sharp objects to prevent punctures.

PRODUCT FEATURES

- **Self-Cooling Technology:** Pressure-activated gel provides cooling relief for up to 3 hours.
- **Automatic Recharging:** The mat automatically recharges after approximately 15 minutes of non-use.
- **Non-Toxic Material:** Constructed from 100% safe, non-toxic gel and durable nylon.
- **Versatile Use:** Suitable for kennels, crates, pet beds, floors, and travel.
- **Easy to Clean:** Wipeable surface for simple maintenance.
- **Portable Design:** Foldable for convenient storage and transport.

SETUP

1. **Unpack the Mat:** Carefully remove the cooling mat from its packaging.
2. **Unfold and Flatten:** Unfold the mat and lay it flat on a desired surface. Ensure there are no creases or folds that could affect its performance or comfort.
3. **Placement:** Place the mat in an area where your pet frequently rests, such as inside a kennel, on a pet bed, or directly on the floor. For optimal cooling, place it in a shaded or cooler part of the room.

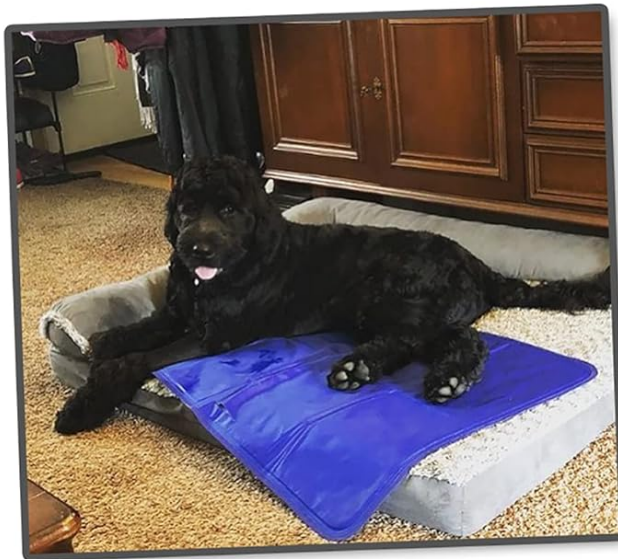

MULTIPLE USES

Cages or Crates

Floors

Pet Beds

OPERATING INSTRUCTIONS

The Arf Pets Dog Cooling Mat operates automatically through pressure activation. No external power source or refrigeration is required.

- **Activation:** When your pet lies down on the mat, their weight activates the cooling gel, initiating the cooling process.
- **Cooling Duration:** The mat provides continuous cooling for up to 3 hours, depending on ambient temperature and pet's body heat.
- **Recharging:** Once your pet moves off the mat, the gel automatically recharges its cooling properties within approximately 15 minutes of non-use. This allows for repeated use throughout the day.

AUTOMATIC RECHARGING AFTER 15 MINUTES OF NONUSE

3 HOURS OF
CONTINUOUS
COOLING

MAINTENANCE AND CLEANING

Proper care will extend the life and effectiveness of your cooling mat.

- **Spot Cleaning:** For minor spills or dirt, simply wipe the surface of the mat with a damp cloth and mild soap.
- **Drying:** Allow the mat to air dry completely before folding or storing. Do not expose to direct sunlight during drying.
- **Storage:** When not in use, fold the mat neatly and store it in a cool, dry place away from direct sunlight.
- *Do not machine wash, tumble dry, iron, or dry clean the mat.*

MADE FROM 100%
NONTOXIC
MATERIALS

SAFE COOLING. EASY CLEANING.
EASILY WIPES CLEAN FOR LOW MAINTENANCE USE

TROUBLESHOOTING

Problem: Mat does not feel cold.

Solution: The mat is designed to feel cool to the touch, not freezing. Its cooling effect is activated by pressure and body heat. If it has been in continuous use, allow it 15-20 minutes of non-use to recharge. Ensure it is not placed in direct sunlight or a very hot environment, which can diminish its effectiveness.

Problem: Pet is not using the mat.

Solution: Some pets may need time to adjust to new items. Try placing a favorite toy or treat on the mat to encourage interaction. Ensure the mat is placed in a quiet, comfortable spot where your pet usually rests. The mat's texture or initial coolness might be unfamiliar; patience is key.

Problem: Mat appears damaged or leaking gel.

Solution: Discontinue use immediately. The gel is non-toxic, but ingestion should be avoided. Dispose of the mat

safely according to local regulations. Contact customer support for further assistance.

SPECIFICATIONS

| Attribute | Detail |
|------------------------|---|
| Model Number | APCLPD0127 |
| Dimensions (L x W x H) | 27 x 43 x 1 inches (68.58 x 109.22 x 2.54 cm) |
