Delta Children 6792-027

Delta Children Tribeca 4-in-1 Convertible Crib Instruction Manual

Brand: Delta Children | **Model:** 6792-027

1. INTRODUCTION

The Delta Children Tribeca 4-in-1 Convertible Crib is designed to be a versatile and stylish centerpiece for your nursery. This multi-positional crib features a sleek x-shaped base and a bold two-tone finish. It is crafted from strong and sturdy wood and is designed to convert into a toddler bed, daybed, and full-size bed, adapting to your child's growth. This manual provides essential information for the safe assembly, operation, and maintenance of your crib.

2. SAFETY INFORMATION

Your child's safety is paramount. Please read and follow all instructions carefully before assembly and use. Keep this manual for future reference.

- **JPMA Certified:** This crib is JPMA certified, ensuring it meets or exceeds all safety standards set by ASTM.
- **Non-Toxic Materials:** The crib features a non-toxic, multi-step painting process that is lead and phthalate safe, ensuring a healthy environment for your baby.
- **Mattress Fit:** Always use a standard size crib mattress (sold separately) that fits snugly, leaving no gaps larger than 1/2 inch (13 mm) between the mattress and any side of the crib.
- **Regular Inspection:** Periodically check all screws, bolts, and other fasteners to ensure they are tight and secure. Do not use the crib if any parts are missing, damaged, or broken.
- **Child Supervision:** Never leave your child unattended in the crib.
- **Avoid Hazards:** Do not place the crib near windows where cords from blinds or drapes could strangle a child. Do not hang toys or other items with strings or cords on or near the crib.

Tested Above and Beyond Safety Standards

So Your Baby Sleeps Safe!

The Tribeca Crib is JPMA certified, ensuring it meets stringent safety standards. It is constructed from sustainable New Zealand pine wood and finished with non-toxic materials.

3. PRODUCT FEATURES

- **4-in-1 Convertible Design:** Easily converts from a crib to a toddler bed, daybed, and full-size bed with headboard and footboard.
- **Adjustable Mattress Height:** Features 3 convenient mattress support positions to grow with your baby, allowing you to lower the mattress as your child develops.
- **Durable Construction:** Made from sustainable New Zealand pine wood and TSCA compliant engineered wood for long-lasting durability.
- **Safety Compliant:** Tested for lead and other toxic elements, meeting or exceeding ASTM safety standards.
- **Included Components:** Comes with the 4-in-1 Convertible Crib and a Daybed Rail.
- **Coordinating Items:** Uses a standard size crib mattress (sold separately). Toddler Guardrail (#0080) and Full Size Bed Rails (#0050) are sold separately.

CRIB

TODDLER BED

DAYBED

**FULL BED WITH
HEADBOARD & FOOTBOARD**

The Tribeca Crib offers four conversion options: crib, toddler bed, daybed, and full-size bed, providing long-term utility.

***Positions measured from the top of a 6" mattress**

The crib features three adjustable mattress height positions to accommodate your child's growth and ensure safety.

4. SETUP AND ASSEMBLY

Assembly of the Tribeca 4-in-1 Convertible Crib is designed to be straightforward. It is recommended to have two adults for assembly to ensure ease and safety.

4.1. Unpacking and Preparation

- Carefully unpack all components and hardware from the box.
- Verify that all parts listed in the included assembly instructions are present and undamaged.
- Lay out all components on a soft, clean surface to prevent scratching.

4.2. Assembly Steps (General Guidelines)

Refer to the detailed assembly instructions provided in the product packaging for step-by-step guidance. General steps typically include:

1. Attach the side rails to the headboard and footboard using the provided hardware.

2. Install the mattress support frame at the desired height. Ensure it is securely fastened at all four corners.
3. Tighten all bolts and screws firmly, but do not overtighten.
4. Once assembled, gently shake the crib to ensure it is stable and all connections are secure.

The fully assembled Tribeca 4-in-1 Convertible Crib, ready for use.

5. OPERATING INSTRUCTIONS

5.1. Adjusting Mattress Height

The crib offers three mattress height positions to adapt to your child's developmental stages:

- **Highest Position:** For newborns and infants who cannot push up on their hands and knees. This allows for easier access to your baby.
- **Middle Position:** For babies who can push up on their hands and knees.
- **Lowest Position:** For toddlers who can stand. This position prevents them from climbing out of the crib.

To adjust the mattress height, carefully remove the mattress, detach the mattress support frame from the side rails, and reattach it to the desired height setting. Ensure all fasteners are securely tightened after adjustment.

5.2. Converting the Crib

The Tribeca crib can be converted into a toddler bed, daybed, and full-size bed. Refer to the specific conversion instructions included with your product for detailed steps and required hardware.

- **Toddler Bed:** Remove the front rail of the crib and replace it with the Toddler Guardrail (#0080, sold separately). The Daybed Rail is included for this conversion.
- **Daybed:** Remove the front rail of the crib. The Daybed Rail is included for this conversion.
- **Full-Size Bed:** Remove both side rails of the crib. The headboard and footboard will be used with Full Size Bed Rails (#0050, sold separately) to create a full-size bed frame.

6. MAINTENANCE

Proper care and maintenance will extend the life of your crib and ensure continued safety.

- **Cleaning:** Wipe with a damp cloth. Avoid using abrasive cleaners, harsh chemicals, or strong detergents, as these can damage the finish or materials.
- **Regular Checks:** Periodically inspect all hardware and connections to ensure they remain tight. Loose fasteners can compromise the crib's stability and safety.
- **Storage:** If storing the crib, ensure it is clean and dry. Store in a cool, dry place away from extreme temperatures or humidity.

7. TROUBLESHOOTING

- **Crib Wobbles:** If the crib feels unstable or wobbles, ensure all assembly bolts and screws are fully tightened. Check that the crib is placed on a level surface. For added stability, especially on carpeted floors, consider using wall-securing mounts (sold separately) to anchor the crib to the wall, preventing accidental tipping.
- **Parts Missing/Damaged:** If any parts are missing or damaged upon arrival, do not attempt to assemble the crib. Contact Delta Children customer support immediately for replacement parts.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	Delta Children
Model Number	6792-027
Color	White/Grey
Material	Wood, Pine
Product Dimensions (L x W x H)	55"L x 32.25"W x 43.5"H
