

## Michael Kors MK5004

# Michael Kors MK5004 Sunglasses and Eyewear Care Kit User Manual

Model: MK5004 (Item Model Number: 677)

## 1. INTRODUCTION

---

This manual provides essential instructions for the proper use, care, and maintenance of your Michael Kors MK5004 Sunglasses and the accompanying Designer iWear Eyewear Care Kit. Please read this manual thoroughly before using your product to ensure optimal performance and longevity.

## 2. PRODUCT COMPONENTS

---

Your Michael Kors MK5004 bundle includes the following items:

- Michael Kors MK5004 Sunglasses
- Designer iWear Eyewear Care Kit, which contains:
  - 1 ounce spray bottle (cleaning solution)
  - Mirror
  - Screwdriver/keychain tool
  - Folded microfiber cloth
- Manufacturer's Protective Case
- Additional Cleaning Cloth

### 3. SETUP

---

1. **Unpacking:** Carefully remove all items from the packaging. Retain the original packaging for potential future storage or transport.
2. **Initial Inspection:** Examine the sunglasses and all care kit components for any signs of damage or manufacturing defects. If any issues are found, refer to the Warranty Information section.
3. **Care Kit Preparation:** Ensure the cleaning spray bottle is securely closed. Familiarize yourself with the screwdriver/keychain tool and microfiber cloth.

### 4. OPERATING

---

#### 4.1 Wearing Your Sunglasses

Gently place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears without causing pressure. The fit should be secure but not tight. If the fit feels loose or too tight, minor adjustments may be possible (see Troubleshooting).

## 4.2 Using the Designer iWear Eyewear Care Kit

The care kit is designed to help maintain the clarity and condition of your sunglasses.

- **Cleaning Spray:** Use the 1-ounce spray bottle to apply a small amount of cleaning solution to both sides of the lenses.
- **Microfiber Cloth:** Gently wipe the lenses with the provided microfiber cloth. Avoid using abrasive materials or paper towels, as these can scratch the lenses.
- **Screwdriver/Keychain Tool:** This tool can be used for minor adjustments, such as tightening loose screws on the hinges or nose pads. Exercise caution to avoid overtightening or damaging the frame.

## 5. MAINTENANCE

---

### 5.1 Cleaning Your Sunglasses

Regular cleaning is crucial for maintaining optical clarity and extending the life of your sunglasses.

1. Rinse lenses under lukewarm water to remove loose dirt or dust.
2. Spray the Designer iWear cleaning solution onto both sides of the lenses.
3. Gently wipe the lenses and frames with the microfiber cloth until clean and dry.
4. For stubborn smudges, repeat the process.

*Do not use harsh chemicals, alcohol-based cleaners, or abrasive materials, as these can damage lens coatings and frame finishes.*

### 5.2 Storage

When not in use, always store your Michael Kors sunglasses in the provided protective case. This protects them from scratches, dust, and accidental damage. Avoid leaving sunglasses in direct sunlight for extended periods (e.g., on a car dashboard), as extreme heat can warp frames or damage lens coatings.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your sunglasses.

- **Loose Screws:** If hinges or nose pad screws become loose, use the small screwdriver from the Designer iWear Care Kit to gently tighten them. Do not overtighten.
- **Smudged Lenses:** Refer to the cleaning instructions in Section 5.1. Ensure you are using the provided microfiber cloth and cleaning solution.
- **Uncomfortable Fit:** Minor adjustments to the nose pads or temple arms may be possible. For significant fit issues or if you are unsure, consult an optical professional to avoid damaging the frame.
- **Scratched Lenses:** Unfortunately, lens scratches are generally permanent. Proper cleaning and storage are the best preventative measures.
- **Damaged Frame/Lens:** If the frame is bent or a lens has come out and cannot be easily reinserted, it is recommended to seek professional repair or contact customer support.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Michael Kors
Model Number	MK5004 (Item Model Number: 677)
ASIN	B019CVP9DU
Department	WOMEN
Package Dimensions	7.76 x 3.39 x 3.31 inches
Item Weight	7.05 ounces
Date First Available	December 14, 2015

## 8. WARRANTY INFORMATION

Your Michael Kors MK5004 Sunglasses include a manufacturer's warranty. Details regarding the specific terms and duration of this warranty are typically provided with your purchase documentation or can be found on the official Michael Kors website. Please retain your proof of purchase for warranty claims. The Designer iWear Eyewear Care Kit components are covered by their respective manufacturer's policies.

## 9. SUPPORT

For product-specific inquiries, warranty claims, or professional repair services for your Michael Kors sunglasses, please visit the official Michael Kors website or contact their customer service department. For questions regarding the Designer iWear Eyewear Care Kit, please refer to the contact information provided with the kit or visit the Designer iWear website. Always ensure you are contacting authorized service providers for genuine product support.
