gorsun GS-778 Wired Kids Headphones Instruction Manual

INTRODUCTION

Welcome to the instruction manual for your new gorsun GS-778 Wired Kids Headphones. This guide provides essential information on product features, setup, operation, maintenance, and troubleshooting to ensure a safe and enjoyable listening experience for children.

PRODUCT OVERVIEW

Key Features

- **Adjustable Headband:** Designed with an adjustable headband for a comfortable fit for various head sizes.
- **Comfortable Earpads:** Snug pads and cushioned earpads ensure comfortable wearing without sharp corners.
- **Lightweight Design:** Easy to carry and wear for extended periods.
- **Durable Materials:** Constructed with food-grade material and tangle-free cords that are twistable, bendable, and stretchable to withstand typical child use.
- **Standard Connectivity:** Features a 1.2-meter cord length with a 3.5mm gold plug for broad compatibility.
- **Age Recommendation:** Suitable for children aged 3-15 years.
- **Clear Identification:** Marked spots on the headband help children easily identify the left (L) or right (R) earmuff.
- **High-Quality Audio:** Professional toning technique ensures a clear stereo effect.

Ultra-comfortable Wear

Figure 2: Ultra-comfortable Wear features including soft ear cushions, adjustable headband, and snug headband.

Figure 3: Universal Compatibility with smartphones, computers, tablets, and DVD players.

Figure 4: Space-Saving Foldable

Design for convenient carrying and storage.

Figure 5: Durable cable design for long-term use, resistant to tangles and tears.

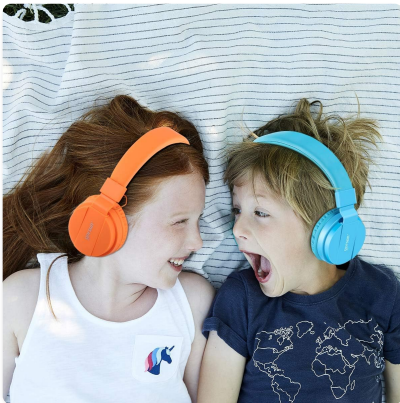

Figure 6: Available colors of gorsun kids headphones.

SAFETY INFORMATION

These headphones are recommended for children over 3 years old. Adult supervision is advised, especially for younger children, to ensure proper use and prevent potential hazards.

SETUP

1. **Unpack:** Carefully remove the headphones from their packaging.
2. **Identify Left/Right:** Locate the 'L' and 'R' markings on the inside of the headband to ensure correct ear placement.
3. **Adjust Headband:** Gently slide the earcup extensions up or down to adjust the headband for a comfortable and secure fit on the child's head. The headband is designed to be flexible and durable.
4. **Connect Audio Cable:** Insert the 3.5mm audio jack firmly into the audio port of your device (smartphone, tablet, computer, DVD player, etc.).

Video 1: Demonstrates the soft touch ear pads, snug head pad, rotatable ear pads, adjustable headband, tear-resistant headband, and foldable design of the gorsun kids headphones.

OPERATING INSTRUCTIONS

1. **Power On Device:** Ensure your audio device is powered on and playing content.
2. **Volume Control:** Adjust the volume directly on your connected audio device to a safe listening level.

These headphones do not feature an inline volume control.

3. **Comfort Check:** Ensure the headphones sit comfortably on the child's ears and head. The soft earpads and padded headband are designed for extended wear.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe the headphones. For stubborn dirt, a slightly damp cloth can be used, but ensure no moisture enters the earcup speakers or the 3.5mm jack.
- **Storage:** When not in use, fold the headphones to their compact size and store them in a clean, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid sharp bends or excessive pulling on the cable to prevent damage. The tangle-free design helps maintain cable integrity.

TROUBLESHOOTING

- **No Sound:**
 - Ensure the 3.5mm audio jack is fully inserted into the device's audio port.
 - Check the volume level on your audio device.
 - Test the headphones with another device to rule out a device-specific issue.
 - Inspect the audio cable for any visible damage.
- **Poor Sound Quality:**
 - Ensure the audio jack is clean and free of debris.

- Verify the audio source is playing high-quality audio.
- **Headphones Don't Fit Comfortably:**
 - Adjust the headband length by sliding the earcups up or down until a comfortable fit is achieved.

SPECIFICATIONS

Feature	Detail
Brand	gorsun
Model Name	778 (GS-778)
Connectivity Technology	Wired
Headphones Jack	3.5 mm Jack
Ear Placement	Over Ear
Form Factor	On Ear
