Baby Jogger City Mini GT2 Double Stroller (Model 1959386)

Baby Jogger City Mini GT2 Double Stroller Instruction Manual

Model: 1959386

Brand: Baby Jogger

1. INTRODUCTION AND OVERVIEW

The Baby Jogger City Mini GT2 Double Stroller is designed for multi-terrain strolling, offering all-terrain capabilities and deluxe standard features in a compact package. Its side-by-side design and all-terrain tires are suitable for daily excursions and off-the-beaten-path adventures. This stroller is equipped with patented quick-fold technology, a removable auto-lock, an accessory mounting bracket, a hand-operated parking brake, and an adjustable handlebar. The 8.5-inch quick-release forever air wheels feature sealed ball bearings, front wheel suspension, and dual lockable swivel front wheels for a smooth ride. Supportive plush padded seats recline to a near-flat position and include vented seat tops with retractable weather covers. The City Mini GT2 Double Stroller accommodates taller children with roomy seats, a taller seat back, and a longer footwell. It also features individually adjustable sun canopies with peek-a-boo windows, adjustable five-point safety harnesses with shoulder pads and buckle covers, a large under-seat basket, and seat-back storage compartments. This stroller is not intended for jogging.

2. SETUP AND ASSEMBLY

The Baby Jogger City Mini GT2 Double Stroller comes largely pre-assembled for convenience. Follow these steps for initial setup:

2.1 Unfolding the Stroller

To unfold the stroller, release the side latch that secures the stroller in its folded position. Lift the handlebar and allow the frame to extend until it locks into place. Ensure all locking mechanisms are engaged before use.

2.2 Attaching Accessories

The stroller includes a universal accessory mounting bracket. Optional accessories, such as a car seat adapter or a child tray, can be purchased separately and attached to this bracket. Refer to the specific accessory's instructions for proper installation.

3. OPERATING INSTRUCTIONS

3.1 Folding the Stroller

The City Mini GT2 Double Stroller features patented quick-fold technology. To fold, locate the 'Pull to Fold' straps on the seat bottoms. Pull both straps simultaneously upwards. The stroller will collapse into a compact, self-locking fold. Ensure the auto-lock engages to keep the stroller closed when folded.

3.2 Handlebar Adjustment

The handlebar is adjustable to accommodate users of various heights. Locate the adjustment buttons or levers on either side of the handlebar. Press these and move the handlebar to the desired height, then release to lock it in position.

3.3 Engaging the Parking Brake

A flip-flop friendly, hand-operated parking brake is located on the side of the stroller. To engage the brake, push the lever down. To release, pull the lever up. Always ensure the brake is engaged when the stroller is stationary.

3.4 Seat Recline and Canopy Adjustment

Each seat can be individually reclined to a near-flat position. Use the recline strap mechanism behind each seat to adjust the angle. The sun canopies are also individually adjustable and feature peek-a-boo windows for checking on children. Vented seat tops with retractable weather covers provide airflow and protection.

3.5 Harness System

Each seat is equipped with an adjustable five-point safety harness, including shoulder pads and a buckle cover. Always secure children properly in the harness before moving the stroller.

3.6 Wheel Operation

The 8.5-inch quick-release forever air wheels provide a smooth ride. The dual front wheels can be locked for stability on rougher terrain or unlocked to swivel for easier maneuverability in tight spaces. To lock or unlock, use the levers located near the front wheels.

Video: This video demonstrates the folding and unfolding process of the Baby Jogger City Mini GT2 Double Stroller, highlighting its quick-fold technology and ease of use.

4. MAINTENANCE

4.1 Cleaning Instructions

The fabric components of the stroller can be machine washed cold. Do not use bleach. Tumble dry low. Do not iron or dry clean. For the frame and plastic parts, wipe clean with a damp cloth and mild soap. Ensure all parts are dry before folding or storing the stroller.

4.2 Wheel Maintenance

Regularly check the wheels for debris and ensure they spin freely. The forever air tires do not require inflation. Periodically inspect the wheel suspension and bearings for smooth operation.

5. TROUBLESHOOTING

If you encounter any issues with your Baby Jogger City Mini GT2 Double Stroller, please refer to the following common solutions:

- **Stroller not folding/unfolding smoothly:** Ensure all seat recline mechanisms are fully upright and the 'Pull to Fold' straps are pulled firmly and simultaneously. Check for any obstructions in the folding mechanism.
- **Wheels not swiveling/locking:** Verify that the swivel lock levers near the front wheels are in the correct position. Clean any dirt or debris from around the wheel axles.
- **Brake not engaging:** Check the hand-operated brake lever for any obstructions. Ensure the brake mechanism is free of dirt or debris.

For persistent issues, please contact Baby Jogger customer support.

6. SPECIFICATIONS

Feature	Detail
Item Weight	32.56 Pounds
