Rii i8+

Rii Mini i8+ Bluetooth + Wireless Keyboard with Touchpad (Italian Layout) - User Manual

Model: i8+

PRODUCT OVERVIEW

The Rii Mini i8+ is a compact, backlit keyboard with an integrated multi-touch touchpad, designed for versatile use across various smart devices. It features both 2.4 GHz wireless and Bluetooth connectivity, an Italian QWERTY layout, and an ergonomic design for comfortable handling.

PACKAGE CONTENTS

- Rii Mini i8+ Wireless Keyboard
- USB Wireless Receiver
- USB Charging Cable

SETUP

Charging the Keyboard

Before first use, fully charge the keyboard using the provided USB charging cable. Connect the microUSB end to the keyboard and the standard USB end to a compatible USB power source (e.g., computer USB port, USB wall adapter). The LED indicator will show charging status.

Connecting via 2.4 GHz Wireless

1. Locate the USB wireless receiver in the compartment on the back of the keyboard.
2. Insert the USB receiver into an available USB port on your device (Smart TV, PC, TV Box, etc.).
3. Turn on the Rii Mini i8+ keyboard.
4. Press **Fn + Caps** simultaneously to activate 2.4 GHz wireless mode. The keyboard should connect automatically.

Back view of the Rii Mini i8+ keyboard with the battery cover removed, showing the storage slot for the USB wireless receiver.

Connecting via Bluetooth

1. Ensure the keyboard is charged and turned on.
2. Press **Fn + Tab** simultaneously to activate Bluetooth pairing mode. The Bluetooth indicator light will flash.
3. On your device (Smartphone, Tablet, Smart TV, etc.), go to Bluetooth settings and search for new devices.
4. Select "Rii Mini i8+" from the list of available devices to pair.
5. Follow any on-screen prompts to complete the pairing process.

The dual connection technology allows managing up to two devices simultaneously: one via Bluetooth and one via Wireless.

OPERATING INSTRUCTIONS

Keyboard Functions

- **QWERTY Layout:** Standard Italian QWERTY layout for typing.
- **Multimedia Controls:** Dedicated keys for volume, playback, etc.

- **Navigation Keys:** Arrow keys and page up/down for easy navigation.
- **Backlight:** The keyboard features LED backlighting. Use the backlight key (often indicated by a light bulb icon or combined with Fn) to cycle through colors or turn it off.

This video demonstrates the various functions and features of the Rii Mini i8+ keyboard, including key presses and general usage.

Touchpad Functions

The multi-touch touchpad supports various gestures:

- **Single Tap:** Left mouse click.
- **Double Tap:** Right mouse click.
- **Two-finger Drag:** Page scrolling.
- **DPI Adjustment:** The touchpad sensitivity (DPI) can be adjusted to suit different screen sizes. Refer to the keyboard's specific function keys for DPI adjustment (often Fn + Spacebar or similar combination).

A short demonstration video showcasing the touchpad functionality and responsiveness of the Rii Mini i8+ keyboard.

MAINTENANCE

- Keep the keyboard clean by wiping it with a soft, dry cloth.
- Avoid exposing the keyboard to extreme temperatures, humidity, or direct sunlight.
- Store the USB receiver in its designated compartment when not in use to prevent loss.
- Charge the battery regularly to maintain optimal performance.

TROUBLESHOOTING

Connection Issues

- **Keyboard not responding:** Ensure the keyboard is charged and turned on. Verify the correct connection mode (2.4 GHz or Bluetooth) is selected.
- **2.4 GHz Wireless not connecting:** Ensure the USB receiver is securely plugged into the device. Try a different USB port. Re-pair by pressing Fn+Caps.
- **Bluetooth pairing issues:** Ensure Bluetooth is enabled on your device and the keyboard is in pairing mode (Fn+Tab). If issues persist, try restarting both the keyboard and the device. Some devices, like older Smart TVs, might require multiple attempts or specific settings adjustments for successful pairing.

Compatibility Notes

- **Windows 10:** Some users have reported issues with Windows 10 recognizing the Bluetooth receiver. It may require specific driver installations from the Riitek official website and registry modifications. Refer to the Riitek official website for detailed instructions if you encounter this issue.
- **LG Smart TVs:** While the keyboard functions (letters and numbers) generally work, multimedia keys (volume, channel change) may not be fully functional on some LG Smart TV models.

SPECIFICATIONS

Brand	Rii
Model Number	RT-MWK08+BT IT BLACK

Connectivity Type	2.4 GHz Radio Frequency, Bluetooth 4.0
Operating Range	Up to 10 meters (2.4 GHz), up to 8 meters (Bluetooth)
