COGO City 4110 Building Block Set

INSTRUCTION MANUAL

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your COGO City 4110 Building Block Set. Please read this manual thoroughly before beginning assembly to ensure correct usage and to maximize your building experience. Keep this manual for future reference.

Safety Information

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all users.
- **Recommended Age:** This product is recommended for ages 6 and up.
- Keep all packaging materials away from children to prevent suffocation.
- Do not put blocks in mouth or near eyes.

Package Contents

Before starting assembly, verify that all components are present. The COGO City 4110 set typically includes:

- Assorted building blocks for the City 4110 Bullet Train and Station.
- Detailed instruction booklet with step-by-step assembly diagrams.
- Sticker sheet (if applicable).

If any parts are missing or damaged, please refer to the "Warranty and Support" section for assistance.

Setup and Assembly

Follow the step-by-step instructions provided in the included assembly booklet. Organize your blocks by color and shape before you begin to simplify the process.

1. **Unpack Components:** Carefully open the box and remove all plastic bags containing the building blocks.

2. **Sort Blocks:** For easier assembly, sort the blocks by color, size, or type.
3. **Follow Instructions:** Refer to the numbered steps and diagrams in the assembly booklet. Ensure each block is placed correctly and securely.
4. **Check Connections:** Press blocks firmly together to ensure a stable connection.
5. **Apply Stickers:** If your set includes stickers, apply them carefully according to the instructions for added detail.

Operating and Play

Once assembled, the COGO City 4110 set is ready for imaginative play. The train can be moved manually along the tracks (if included) or on any flat surface. The station provides a setting for various role-playing scenarios.

- Encourage creative storytelling and interaction with the train and station elements.
- The set is designed for open-ended play, allowing children to create their own adventures.

Maintenance

Proper care will ensure the longevity of your building block set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth and mild soap. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the blocks.

Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check all packaging materials. Sometimes small pieces can be overlooked. If still missing, contact customer support.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply firm, even pressure. Avoid forcing blocks together if they don't fit, as this may indicate an incorrect piece or orientation.

- **Model Instability:** Review the assembly steps to ensure all connections are secure and no steps were missed.
