## uFresh Dietary Supplement B01AAXCM70

# uFresh Dietary Supplement User Manual

## INTRODUCTION

---

This manual provides essential information for the safe and effective use of the uFresh Dietary Supplement. Please read this manual thoroughly before using the product and retain it for future reference.

## PRODUCT OVERVIEW

---

The uFresh Dietary Supplement is formulated to support the body's metabolism, endocrinology, and immunology functions. Each pack contains capsules designed for daily intake.

This image displays the uFresh Dietary Supplement product packaging, including a gift bag, a product box, and three individual bottles of capsules.

A close-up view of three uFresh Dietary Supplement bottles, highlighting the product label with brand name, 'Since 2001', 'Dietary Supplement', '500 mg', and '40 Capsules'.

This image shows three bottles of uFresh Dietary Supplement arranged with the product box, illustrating the complete package.

## Ingredients and Supplement Facts

Each capsule contains a blend of ingredients designed to support various bodily functions. Refer to the supplement facts panel for detailed information.

## USAGE INSTRUCTIONS

### Recommended Dosage

The recommended serving size is **2 capsules**. Take 2 capsules each time, twice a day, or as directed by a healthcare professional.

### Administration

Swallow capsules with water. It is advisable to take the supplement with meals to enhance absorption and minimize potential stomach discomfort.

# Important Information

## Legal Disclaimer

Statements regarding dietary supplements have not been evaluated by the Food and Drug Administration (FDA) and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

## Warnings

- Keep out of reach of children.
- Do not exceed the recommended dosage.
- Consult a healthcare professional before use if you are pregnant, nursing, have a medical condition, or are taking any medication.
- Discontinue use and consult a doctor if any adverse reactions occur.
- Store in a cool, dry place away from direct sunlight.
