## SETUP

To begin enjoying your Audio CD, follow these simple steps:

1. **Unpack the CD:** Carefully remove the Audio CD from its packaging and jewel case. Hold the CD by its edges to avoid touching the playing surface.
2. **Prepare your CD Player:** Ensure your CD player (e.g., home stereo, car CD player, portable CD player, computer with CD-ROM drive) is powered on and ready to accept a disc.
3. **Insert the CD:** Open the CD tray or slot on your player. Place the CD into the tray with the label side facing up. If using a slot-loading player, gently push the CD into the slot until the player mechanism takes it.
4. **Close the Tray:** If your player has a tray, gently close it. The player should now recognize the disc.

## OPERATING

---

Once the CD is loaded, you can control playback using your CD player's functions:

- **Play:** Press the **PLAY** button to start playback from the beginning of the first track.
- **Pause:** Press the **PAUSE** button to temporarily stop playback. Press it again to resume.
- **Stop:** Press the **STOP** button to end playback and reset the CD to the beginning.
- **Skip Tracks:** Use the **NEXT** or **PREVIOUS** track buttons to navigate between songs.
- **Fast Forward/Rewind:** Hold down the **FAST FORWARD** or **REWIND** buttons to scan through a track.
- **Eject:** Press the **EJECT** button to remove the CD from the player.

Refer to your specific CD player's manual for detailed instructions on its controls and advanced features.

## MAINTENANCE

---

Proper care will ensure the longevity and optimal performance of your Audio CD:

- **Handling:** Always hold the CD by its outer edge or the center hole. Avoid touching the shiny playing surface to prevent fingerprints and scratches.
- **Cleaning:** If the CD becomes dirty, gently wipe the playing surface with a soft, lint-free cloth. Wipe from the center outwards in a straight line, not in a circular motion. Do not use abrasive cleaners or solvents.
- **Storage:** Store the CD in its original jewel case or a protective sleeve when not in use. Keep it away from direct sunlight, high temperatures, and excessive humidity.
- **Avoid Damage:** Do not bend the CD, apply stickers to the playing surface, or write on the playing surface with anything other than a CD-safe marker.

## TROUBLESHOOTING

---

If you encounter issues during playback, consider the following common solutions:

Problem	Possible Solution
