2. SAFETY INFORMATION

- **Assembly Required:** This product requires assembly. Ensure all components are correctly aligned and securely fastened to prevent instability or tipping.
- **Outdoor Use:** While designed for outdoor use, exposure to various weather conditions (e.g., strong winds, heavy rain) may affect the product's stability and longevity. Consider securing the furniture during adverse weather.
- **Cleaning:** Clean the product only with a dry cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the polyrattan and steel finish.

- **Weight Distribution:** Distribute weight evenly on the table and chairs. Avoid standing on the furniture.
- **Inspection:** Periodically inspect all screws and connections to ensure they remain tight. Retighten as necessary.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

- 1 x Dining Table (150x90x74cm) with 5mm frosted safety glass tabletop
- 6 x Stackable Chairs (60x59x88cm)
- 6 x Seat Cushions (7cm thickness)
- Assembly hardware (screws, tools)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this furniture set. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches. Two people may be required for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out and identify each component against the package contents list.
2. **Assemble the Table:** Attach the table legs to the tabletop frame using the provided hardware. Ensure all screws are finger-tight before fully tightening them.
3. **Assemble the Chairs:** For each chair, connect the backrest, seat, and armrests (if separate) using the provided screws. Do not fully tighten screws until all parts are loosely connected.
4. **Final Tightening:** Once all components are in place for both the table and chairs, gradually tighten all screws evenly. Avoid over-tightening.
5. **Adjust Feet:** The table and chair legs are equipped with adjustable feet. Adjust these to ensure the furniture is stable and level on uneven surfaces.

5. OPERATING INSTRUCTIONS (USAGE)

- **Placement:** Position your garden furniture set on a stable, level surface outdoors.
- **Cushion Use:** Place the 7cm thick cushions on the chairs for optimal seating comfort. The cushions are designed to be comfortable for extended use.
- **Stackable Chairs:** The chairs are designed to be stackable, allowing for convenient storage when not in use or during periods of adverse weather.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your garden furniture set.

- **Polyrattan Frame:** The polyrattan material is weather-resistant, UV-resistant, and dirt-repellent. Clean the frame with a dry cloth to remove dust and light debris. For more stubborn dirt, a damp cloth with mild soap and water can be used, followed by drying thoroughly.
- **Cushions:** The seat cushions have removable covers for easy cleaning. Follow the care instructions on the cushion labels. Store cushions indoors during rain or prolonged periods of non-use to maintain their quality.
- **Glass Tabletop:** Clean the 5mm frosted safety glass tabletop with a glass cleaner and a soft cloth.
- **Winter Storage:** During winter months or prolonged periods of inactivity, it is recommended to store the furniture in a dry, sheltered area or cover it with a protective furniture cover to prevent damage from extreme weather.

7. TROUBLESHOOTING

- **Wobbly Furniture:** If the table or chairs wobble after assembly, ensure all screws are fully tightened. Use the adjustable feet on each leg to level the furniture on uneven surfaces.
- **Difficulty During Assembly:** If you encounter difficulty aligning screw holes, try loosening all other screws slightly to allow for more flexibility, then align the problematic part and tighten all screws gradually. Do not force components.
