2. Safety Information

Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for younger children.
- **Recommended Age:** This building set is recommended for ages 6 years and up.
- Keep all packaging materials away from children to prevent suffocation risks.
- Do not ingest any parts of the building set.

3. Setup and Assembly

The Sluban M38-B0553 set includes a detailed step-by-step instruction manual within the product packaging. Please refer to that physical manual for comprehensive assembly guidance.

1. **Unpack Components:** Carefully open the product packaging and remove all bags containing building bricks and the instruction manual.
2. **Sort Pieces:** For easier assembly, it is recommended to sort the building bricks by color and type before beginning construction.
3. **Follow Instructions:** Refer to the included step-by-step instruction booklet to assemble the crane truck and accompanying structures. Each step is illustrated to guide you through the process.
4. **Assemble Mini-Figures:** The 8 included mini-figures can be assembled according to the instructions or customized as desired.

4. Operating the Crane Truck

The Sluban M38-B0553 Crane Truck is designed with several functional features for realistic play:

- **Mobile Crane:** The truck is a mobile crane, allowing it to be moved to various construction sites.
- **Telescopic Boom:** The crane features a telescopic boom that can be extended to reach necessary heights for lifting materials. Adjust the boom length by manipulating the designated sections.
- **Compact Mode:** For transport, the crane can be compacted to resemble a standard large truck, making it suitable for road travel in imaginative play scenarios.
- **Lifting Mechanism:** Utilize the crane's hook and winch system to simulate lifting and lowering objects.

5. Maintenance

To ensure the longevity and cleanliness of your Sluban M38-B0553 building set, follow these maintenance tips:

- **Cleaning:** Gently wipe the bricks with a soft, damp cloth if they become dusty or dirty. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled bricks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the assembled model with care to prevent accidental disassembly.

6. Troubleshooting

If you encounter any issues with your Sluban M38-B0553 set, consider the following:

- **Missing Pieces:** If you believe pieces are missing from a new, sealed set, carefully re-check all packaging and sorting areas. If pieces are still missing, please contact Sluban customer support for assistance.
- **Difficulty Assembling:** Ensure you are following the step-by-step instructions precisely. Sometimes, a small error in an earlier step can affect subsequent steps. Double-check the orientation and connection points of the bricks.
- **Parts Not Staying Together:** Verify that bricks are fully pressed together. If parts consistently come apart, ensure they are the correct pieces for that step as per the instructions.
