# Inglesina Quad/Trilogy Bassinet Instruction Manual

## INTRODUCTION

This manual provides essential information for the safe and proper use of your Inglesina Quad/Trilogy Bassinet. Designed for use with Inglesina Quad or Trilogy strollers, this bassinet offers a comfortable and secure environment for infants during their first six months. Please read all instructions carefully before assembly and use, and retain this manual for future reference.

## IMPORTANT SAFETY INFORMATION

Always prioritize your child's safety. Failure to follow these warnings and instructions could result in serious injury or death.

- **Suffocation Hazard:** Infants can suffocate in gaps between extra padding and the side of the bassinet, or on soft bedding. Use only the pad provided by Inglesina. NEVER add a pillow, comforter, or another mattress for padding.
- **Fall Hazard:** To prevent falls, do not use this bassinet once the infant begins to push up on hands and knees, or has reached 20 lbs (9 kg), or is 27.5 inches (70 cm) tall, whichever comes first.
- Always place your baby on their back to sleep.
- Never leave your child unattended in the bassinet.
- Ensure the bassinet is securely attached to the stroller frame before placing your child inside.
- Keep the bassinet away from open flames, heaters, and other sources of strong heat.
- Do not use the bassinet if any parts are broken, torn, or missing.
- Regularly inspect the bassinet for wear and tear.

## PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Inglesina Quad/Trilogy Bassinet Unit
- Inner Lining and Mattress Pad
- Instruction Manual

## SETUP INSTRUCTIONS

## **1. Unpacking and Initial Inspection**

Carefully remove all components from the packaging. Inspect the bassinet for any signs of damage or missing parts. If any issues are found, do not proceed with assembly and contact customer support.

## **2. Attaching the Bassinet to the Stroller Frame**

The Inglesina Quad/Trilogy Bassinet is designed to easily snap onto compatible Inglesina Quad or Trilogy stroller frames without the need for additional adapters.

1. Ensure your stroller frame is fully unfolded and locked into position.
2. Align the bassinet's attachment points with the corresponding connectors on the stroller frame.
3. Lower the bassinet onto the frame until you hear an audible 'click' on both sides, indicating it is securely locked.
4. Gently lift the bassinet to confirm it is firmly attached before placing your child inside.

## OPERATING THE BASSINET

### Adjusting Airflow

The bassinet features adjustable vents to ensure optimal air circulation and temperature regulation for your baby in all seasons.

- Locate the special device at the front of the bassinet.
- Adjust the opening vents as needed to increase or decrease airflow.

### **Adjusting Backrest Position**

For your baby's comfort, the bassinet's backrest can be reclined to various positions using a practical front control.

- Locate the backrest adjustment control, typically found near the front of the bassinet.
- Operate the control to recline or raise the backrest to the desired position.

## **MAINTENANCE AND CARE**

---

### **Cleaning the Inner Lining**

The inner lining is completely removable for thorough hygiene.

- Remove the inner lining from the bassinet.
- Hand wash the lining at 86°F (30°C).
- Allow to air dry completely before reinserting into the bassinet.

### **Cleaning the Bassinet Bottom**

After removing the inner lining, the bottom of the bassinet can also be cleaned.

- Wipe the bottom surface with a damp cloth.
- Ensure the surface is dry before replacing the inner lining.

## TROUBLESHOOTING

This section addresses common issues you might encounter with your Inglesina Quad/Trilogy Bassinet.

- **Bassinet not attaching securely to stroller frame:** Ensure the stroller frame is fully open and locked. Verify that the bassinet is correctly aligned with the attachment points and push down firmly until you hear a 'click'. Check for any obstructions.
- **Difficulty adjusting backrest:** Ensure no fabric is caught in the mechanism. Apply gentle, even pressure when operating the control.
- **Lining difficult to remove/reinstall:** Follow the instructions for removal carefully. When reinstalling, ensure all edges are properly tucked and secured.
