180s Behind the Head Ear Warmers Artic Eco Pink User Manual

Model: Artic Eco Pink

INTRODUCTION

Welcome to the user manual for your 180s Behind the Head Ear Warmers. These ear warmers are designed to provide comfort and warmth in cold conditions, featuring a unique behind-the-head design for a secure and low-profile fit. Please read this manual carefully to ensure proper use and maintenance of your product.

PRODUCT OVERVIEW & FEATURES

The 180s Behind the Head Ear Warmers are engineered for optimal warmth and convenience. Their innovative design allows them to be worn comfortably with other headwear, such as hats or glasses, without interference.

This image displays the 180s Behind the Head Ear Warmers in Artic Eco Pink, shown in a folded or compact state. The soft, plush material and the unique behind-the-head design are visible, highlighting their portability and comfort.

Key Features:

- **Behind-the-Head Design:** Allows for compatibility with hats, glasses, and other headwear.
- **Adjustable Click-to-Fit Frame:** Ensures a comfortable and secure fit for various head sizes.
- **Soft, Thermal Material:** Provides superior warmth and comfort in cold conditions.
- **Collapsible Design:** Folds compactly for easy storage and portability.

SETUP GUIDE

Follow these simple steps to properly set up and wear your ear warmers:

1. **Unfold:** Gently unfold the ear warmers from their compact state.
2. **Position:** Place the frame behind your head, ensuring the ear cups are positioned over your ears.

3. **Adjust:** Adjust the click-to-fit frame by gently pulling or pushing the ear cups until a snug and comfortable fit is achieved. The ear cups should fully cover your ears without excessive pressure.

OPERATING INSTRUCTIONS

Once properly fitted, your 180s Behind the Head Ear Warmers will provide effective insulation and warmth to your ears. They are suitable for various outdoor activities in cold weather, including walking, running, skiing, and more.

No complex operation is required. Simply wear them when you need warmth and comfort for your ears.

MAINTENANCE AND CARE

Proper care will extend the life of your ear warmers:

- **Cleaning:** Hand wash with mild soap and cold water. Do not use harsh detergents or bleach.
- **Drying:** Air dry completely. Do not tumble dry, iron, or dry clean.
- **Storage:** When not in use, fold the ear warmers compactly and store them in a clean, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your ear warmers, refer to the table below:

Issue	Possible Cause / Solution
Ear warmers feel too tight or too loose.	Adjust the click-to-fit frame by gently extending or retracting the ear cups until a comfortable fit is achieved.
Ear warmers slip off.	Ensure the frame is positioned correctly behind the head and the ear cups are fully extended to cover the ears. Adjust for a snug fit.
Not providing enough warmth.	Ensure ear cups fully cover the ears. Check for proper fit to minimize air gaps.
