Broyhill 4453-256

Primo Vista 4/6-5/0 Panel Headboard

Model: 4453-256 | Brand: Broyhill

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, care, and maintenance of your Primo Vista 4/6-5/0 Panel Headboard. Designed as a focal point for your contemporary bedroom, this headboard features a black-stain finish, streamlined shaping, and distinctive picture-frame moldings. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

- Always assemble on a soft, clean surface to prevent scratching.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as needed.
- Keep small parts and packaging materials away from children and pets.
- Do not use power tools for assembly unless specifically instructed, as this may overtighten or damage components.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged.

| Item | Description | Quantity |
|------|--|----------|
| A | Headboard Panel (Top) | 1 |
| B | Headboard Panel (Bottom) | 1 |
| C | Headboard Legs | 2 |
| D | Hardware Pack (Bolts, Washers, Nuts, Allen Wrench) | 1 |

SETUP AND ASSEMBLY

Follow these steps to assemble your Primo Vista Panel Headboard.

Figure 1: Fully assembled Primo Vista Panel Headboard. This image displays the headboard's black-stain finish and panel design, shown attached to a bed frame with a white mattress and pillows.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each component using the "Package Contents" list.
2. **Attach Headboard Panels:** If your headboard consists of multiple panels (A and B), align them and secure them together using the designated connectors or bolts from the hardware pack (D). Ensure they are flush and stable.
3. **Attach Headboard Legs:** Position the headboard legs (C) to the main headboard panel. Secure them using the bolts, washers, and nuts from the hardware pack (D). Hand-tighten all connections initially.
4. **Final Tightening:** Once all legs are attached, carefully stand the headboard upright. Using the provided Allen wrench, fully tighten all bolts. Do not overtighten.
5. **Attach to Bed Frame:** Align the pre-drilled holes on the headboard legs with the corresponding holes on your bed frame. Insert bolts (typically from your bed frame's hardware) through these holes and secure with nuts and washers. Ensure the headboard is stable and flush against the bed frame.

USAGE AND COMPATIBILITY

The Primo Vista Panel Headboard is designed to be compatible with most standard full (4/6) and queen (5/0) size bed frames. Ensure your bed frame has pre-drilled holes for headboard attachment. Once assembled and attached, the headboard provides a stable and stylish backrest for your bed.

MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Humidity:** Maintain a consistent humidity level in the room to prevent wood from warping or cracking.
- **Hardware:** Periodically check and re-tighten all assembly hardware to ensure stability.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|------------------------------------|--|--|
| Headboard wobbles after assembly. | Hardware not fully tightened. | Ensure all bolts connecting the headboard panels, legs, and to the bed frame are securely tightened. |
| Parts do not align correctly. | Incorrect orientation of parts; overtightened bolts. | Disassemble and re-check part orientation against instructions. Loosen bolts slightly, align, then re-tighten. |
| Missing hardware or damaged parts. | Packaging error or shipping damage. | Do not proceed with assembly. Contact customer support immediately for replacement parts. |

SPECIFICATIONS
