

Image: Front packaging of Carefree Panty Liners, highlighting features such as regular size, 8-hour odor control, multi-fluid protection, and 54 count.

This product is an updated version, previously known as Carefree Acti-Fresh Panty Liners, and offers enhanced absorbency compared to original Carefree liners.

SETUP AND APPLICATION

Applying Carefree panty liners for daily use is a straightforward process:

1. **Unwrap the Liner:** Carefully remove the individual wrapper from the panty liner. Carefree liners are individually wrapped for hygiene and convenience, particularly for on-the-go use.
2. **Position in Underwear:** Peel off the adhesive backing. Place the liner firmly onto the crotch area of your underwear, ensuring it is centered and smooth. The stay-put adhesive is designed to minimize bunching and twisting, keeping the liner securely in place during wear.

For home use, unwrapped liners are also available, which can contribute to reduced packaging waste.

OPERATING AND DAILY USE

Carefree panty liners provide continuous comfort and protection for various daily needs:

- **Everyday Freshness:** Designed to maintain a dry and clean feeling.
- **Odor Control:** Incorporates a built-in odor neutralizer for sustained freshness.
- **Light Periods and Leaks:** Offers multi-fluid protection for up to 8 hours.
- **Tampon Backup:** Provides an additional layer of security when using tampons.
- **Sweat and Discharge:** Manages moisture effectively for enhanced comfort.

MAINTENANCE AND STORAGE

As disposable products, Carefree panty liners require minimal maintenance. To preserve their quality and effectiveness, store them in a cool, dry place, away from direct sunlight and excessive moisture. Keep them in their original packaging until immediately prior to use to ensure hygiene.

After use, dispose of the liner responsibly in a waste receptacle. *Do not flush liners down the toilet.*

TROUBLESHOOTING AND SAFETY INFORMATION

Carefree panty liners are designed for comfort and safety. However, if you experience any irritation while using the product, discontinue use immediately. If irritation persists, it is advised to consult a physician.

Ingredients: The specific ingredients used in Carefree panty liners are varied. For detailed ingredient information, please refer to the product packaging.

Important Note: Statements regarding feminine hygiene products have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

PRODUCT SPECIFICATIONS
