# ZINUS 5 Inch Metal Smart Box Spring Mattress Foundation Instruction Manual

Model: OLB-ABS-5Q

## 1. PRODUCT OVERVIEW

---

The ZINUS 5 Inch Metal Smart Box Spring is designed to provide a sturdy and reliable foundation for your mattress. Its durable steel structure ensures long-lasting support, helping to maintain the shape and longevity of your mattress. This low-profile design is ideal for higher mattresses or for those who prefer a lower bed height. It features a knitted polyester cover for a clean aesthetic and foam-padded tape on the steel frame for noise-free use.

- **Strong and Sturdy:** Constructed with a durable steel interior frame.
- **Low Profile:** 5-inch height, perfect for taller mattresses.
- **Noise-Free Use:** Foam padded tape prevents squeaks.
- **Easy Assembly:** Designed for convenient and quick setup with all tools included.
- **Compact Packaging:** Ships in a compact box for easy maneuvering.

## 2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use.

- Exercise caution around sharp edges during assembly.
- Do not exceed the recommended weight limit of 700 pounds.

- Ensure all connections are securely fastened before placing a mattress on the foundation.

### 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. The package includes:

- Metal frame components (various bars and connectors)
- Poly jacquard cover
- All necessary tools for assembly

### 4. ASSEMBLY INSTRUCTIONS

---

The ZINUS Smart Box Spring is designed for easy, tool-free assembly. Follow these steps for quick setup:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Assemble Frame Sides:** Connect the side frame pieces by aligning the designated connectors and pushing them together until they click into place. Ensure all connection points are secure.
3. **Attach Center Support:** Insert the center support bars into the designated slots on the assembled side frames.
4. **Install Slats:** Place the metal slats across the frame, ensuring they fit snugly into the designated grooves or connectors.
5. **Secure Frame:** Double-check all connections to ensure the frame is stable and secure.
6. **Apply Cover:** Stretch the poly jacquard cover over the assembled metal frame, similar to putting on a fitted

sheet. Ensure it is smooth and covers all sides.

## 5. USAGE

Once assembled, place your ZINUS 5 Inch Metal Smart Box Spring on your bed frame. Then, carefully place your mattress on top of the box spring. The low-profile design ensures that your mattress sits at a comfortable height,

especially beneficial for thicker mattresses.

## 6. MAINTENANCE

---

To maintain your ZINUS 5 Inch Metal Smart Box Spring:

- Wipe the metal frame with a damp cloth as needed.
- The poly jacquard cover can be removed and machine washed according to its care label instructions.
- Regularly check all frame connections to ensure they remain tight and secure.

## 7. DURABILITY AND LONGEVITY

---

The robust steel construction of the ZINUS Smart Box Spring is designed for exceptional durability, providing consistent support for your mattress over many years. The integrated foam-padded tape minimizes noise, contributing to a peaceful sleep environment.
