4. Setup and Assembly

The ZINUS Smart Box Spring is designed for quick and easy assembly. Follow these steps for a hassle-free setup:

1. **Unpack Components:** Carefully remove all parts from the compact shipping box. Lay them out on a clean, flat surface.
2. **Assemble the Frame:** Connect the main metal frame sections. Many joints are designed to simply pop into place. Secure these connections using the provided bolts and tools.
3. **Insert Support Slats:** Once the main frame is assembled and secured, insert the metal support slats. These slats typically click into designated slots on the frame. Ensure they are firmly in place to provide proper mattress support.
4. **Attach the Cover:** Drape the poly jacquard cover over the assembled metal frame. The cover is designed to fit snugly and provide a finished appearance.
