### MASTER & DYNAMIC MW60S2

# Master & Dynamic MW60 Wireless Headphones Instruction Manual

Model: MW60S2

## INTRODUCTION

The Master & Dynamic MW60 Wireless Bluetooth Foldable Headphones are designed to deliver a high-quality audio experience with effective sound isolation. They feature 45mm neodymium drivers for clear audio reproduction across various music genres. Equipped with Bluetooth 4.1, these headphones offer wireless connectivity and up to 16 hours of battery life. Constructed with lightweight stainless steel and aluminum, and featuring leather ear pads, the MW60 headphones are designed for comfort and durability, with a foldable design for portability.

## WHAT'S IN THE BOX

- Master & Dynamic MW60 Wireless Headphones
- Audio Cable (3.5mm)
- Audio Adapter
- Micro USB to USB Charging Cable
- Carry Case for Headphones
- Carry Pouch for Accessories

## PRODUCT OVERVIEW

## Sound Tools for Creative Minds

Built with only the finest materials and tuned to provide a rich, warm sound, our ultramodern mobile thinking caps are tools to help focus, inspire and transport your mind.

**Figure 1:** Front view of the Master & Dynamic MW60 Wireless Headphones. This image displays the over-ear design with silver metal accents and brown leather earcups and headband.

**Figure 2:** Close-up of the right earcup showing the control buttons and ports. Visible controls include volume up/down, a multi-function button, and the power/pairing switch. A 3.5mm audio jack and micro USB charging port are also present.

## Controls and Ports

- **Power/Pairing Switch:** Located on the earcup, used to turn the headphones on/off and initiate Bluetooth pairing.
- **Multi-function Button:** Controls playback (play/pause), call management, and voice assistant activation.
- **Volume Up/Down Buttons:** Adjusts audio volume. Can also be used for track skipping (hold for next/previous track).
- **3.5mm Audio Jack:** For wired connection using the included audio cable.
- **Micro USB Port:** For charging the internal battery.
- **Microphone:** Integrated for hands-free calls.

## SETUP

---

### Charging the Headphones

1. Connect the Micro USB end of the charging cable to the Micro USB port on the headphone earcup.
2. Connect the USB-A end of the charging cable to a powered USB port (e.g., computer, wall adapter).
3. The indicator light will show charging status. A full charge typically takes approximately 2 hours.

### Bluetooth Pairing

1. Ensure the headphones are fully charged.
2. Slide the Power/Pairing switch to the ON position.
3. To enter pairing mode, slide and hold the Power/Pairing switch to the far right (pairing icon) until the indicator light begins to flash.
4. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
5. Select "MW60" from the list of detected devices.
6. Once paired, the indicator light will turn solid blue or white, depending on the model.

# OPERATING INSTRUCTIONS

---

## Basic Functions

- **Power On/Off:** Slide the Power/Pairing switch to the ON or OFF position.
- **Play/Pause:** Press the Multi-function button once.
- **Volume Control:** Press the Volume Up (+) or Volume Down (-) buttons.
- **Next Track:** Press and hold the Volume Up (+) button.
- **Previous Track:** Press and hold the Volume Down (-) button.

## Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button.
- **Activate Voice Assistant:** Double-press the Multi-function button.

## Wired Connection

To use the headphones with a wired connection, plug the included 3.5mm audio cable into the audio jack on the earcup and the other end into your audio source. The headphones will automatically switch to wired mode, conserving battery life.

# MAINTENANCE

---

## Cleaning

- Wipe the headphones with a soft, dry cloth.
- Do not use harsh chemicals or abrasive materials.
- For leather parts, use a specialized leather cleaner if necessary, following product instructions.

**Figure 3:** The MW60 headphones folded into a compact form, demonstrating their portability and ease of storage in the included carry case.

- When not in use, fold the headphones and store them in the provided carry case to protect them from dust and damage.
- Avoid storing in extreme temperatures or high humidity.

## TROUBLESHOOTING

Problem	Possible Solution
Headphones do not power on	Ensure the headphones are fully charged. Connect to a power source using the Micro USB cable.

Problem	Possible Solution
Cannot pair via Bluetooth	Ensure headphones are in pairing mode (flashing indicator light). Turn off and on Bluetooth on your device. Try forgetting the device on your phone and re-pairing. Ensure no other devices are actively connected.
Intermittent audio or connection drops	Ensure your device is within the Bluetooth range. Avoid physical obstructions between the headphones and your device. Minimize interference from other wireless devices.
No sound in wired mode	Ensure the 3.5mm audio cable is securely connected to both the headphones and the audio source. Check the volume levels on both the headphones and the audio source.
Earcups detach easily	Ensure earcups are properly aligned and securely attached to the magnetic mounts.
